This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

WILLIAM A. LARNED
National Champion

NATIONAL SINGLES CHAMPIONSHIP

WM. A. LARNED, the master player of America, retained his title of National Singles and his position at the front of all wielders of the racket by defeating the challenger, Thomas C. Bundy of the far Pacific coast, in the Challenge Round at Newport, August 25, thus winning his fourth National Championship in a row and sixth in all, and almost equaling the record of the immortal R. D. Sears in number of victories, while quite surpassing it in magnitude and calibre.

The match in which the veteran vanquished his previously almost unknown but wonderful little rival from Los Angeles served as a fitting climax to the thirtieth annual tournament of the National Association, a tournament which proved the crowning event of a record-breaking and making season in the tennis world, and which itself surpassed all previous records. The 181 entries far eclipsed the numbers of any former list. A new record for defaults, 47 in all, resulted from this unprecedented number and from the frightful tennis weather, which on its part established a new record for inclemency, introducing three rainy days.

Although the draw found scores of unknown players of only mediocre ability, and many of the famous stars were conspicuous by their absence, as for instance, Wm. Clothier, Fred Alexander, R. D. Little, Robert LeRoy, K. H. Behr, I. C. Wright and E. P. Larned, names written large in the history of American lawn tennis, a fair sprinkling of older experts and a galaxy of the rising generation made the general average a high one. Among these were B. C. Wright, W. F. Johnson, N. W. Niles, R. H. Palmer, J. D. E. Jones, F. C. Colston, M. E. McLoughlin, E. H. Whitney, Dean Mathey, G. M. Church, and last but as it proved far from least, T. C. Bundy, whose march through the tournament, until he assailed the last stronghold, was one triumph after another.

Before commenting on the progress of the players a word should be spoken in praise of the management for this year, Dr. Dwight and his able corps of assistants, who indeed deserve unmeasured credit for the successful endeavors under great handicaps. In order to finish the tournament on schedule time in spite of the elements, they were obliged to force the contestants to play rain or shine, and though rackets and balls suffered, the men did not complain, cheerfully accepting the orders of the committee.

To follow such a huge tournament round by round in a limited space is out of the question, so we will briefly sketch the course of a few of the better known players, beginning with the challenger. Through the luck of the draw, Bundy had a comparatively easy road laid out for him down to the Finals, and beginning with a win of three love sets in the

initial round he went to the sixth without losing a set. Here W B. Cragin, Jr., the New York player who had downed J. O. Ames and Craig Biddle on the way, succeeded in getting one set, as did the Maryland star, F. C. Colston, in the Semi-Finals. In passing, the work of this young expert deserves mention, for his brilliant, accurate tennis had given him victories over Leo Sivard Gardner and Mathey, the last in particular no mean opponent, as his wins from Bull and F. C. Inman, the two New York cracks, testify. These, with the old champion, H. W. Slocum, were the big players in the lower half of the draw, but as none was of really championship timbre, Bundy's work was not difficult to reach the Finals, where he met and overcame the ex-champion, B. C. Wright, in a terrific heart-breaking match in which the westerner played wonderful tennis and showed generalship of the highest order, and in which his already almost completely exhausted opponent put up a stubborn and desperate, but unavailing, fight. After being completely outclassed in the first two sets and apparently scarcely able to move from fatigue, Wright rallied and won the third at 8-6, and forced the final set to 10-8 before succumbing to the strain and his rival's power.

The Internationalist had won his way to the finals through one of the hardest series of matches possible, for after defeating Dr. Rosenbaum, he had to meet in succession the Columbia champion, Church; the Massachusetts champion, Niles; the Yale and later intercollegiate champion, Holden; the ex-Double champion, Chace, and the Internationalist, McLoughlin, who had defeated him at Longwood. In this last match Wright simply smothered the brilliant young Californian, playing, perhaps, the best tennis of his career, a marvelous game, but the nervous strain had its effect, and when in the semi-finals, instead of an easy match as everyone anticipated, he was forced to play five fast and exhausting sets against E. H. Whitney, the Harvard and National Interscholastic champion, and came within an ace of defeat at that, it was the last straw, and his splendid condition broke under the strain. Of the others in the half, which was top heavy with talent, Niles, Whitney, McLoughlin, Jones, Harris, Palmer and Holden stand out particularly, and the various meetings of these stars furnished many great contests, as the score indicates somewhat.

The Challenge match was the crowning event, and only at the end of five sets did the champion prove his invincibility. In three he was supreme, and in the other two scarcely made a fight, while his rival played his best throughout, though that was not up to what he displayed in the finals, and at the end he was worn out. But the champion was little better, for the match was played on a very hot day and both were exhausted as a result.

The scores:

NATIONAL DOUBLES CHAMPIONSHIP

ONCE again as last year the Challenge match at Newport for the titles of National Doubles Champions had the added zest of the far West against the extreme East, for the challengers once more hailed from California, this time it being the little known pair of Bundy and Hendrick, who after winning the right to represent the West by surprising and overcoming the strong favorites, McLoughlin and Long, had come through the preliminary matches at Chicago and won the right to challenge the veterans, Hacket and Alexander.

Because of rain on Monday and unsettled weather Tuesday, the big match was put over till Wednesday, August 16, and a big gallery was on hand on that date, but the match as a contest and a spectacle was disappointing, for the champions were at all times the masters, being forced to exert themselves only in one set, the second. Both Hackett and Alexander were much steadier and much severer off the ground and at the net, the former as usual making a minimum of mistakes and again proving himself without a peer as a doubles player. Bundy displayed much of the speed, accuracy and excellent generalship which carried him through the Singles tournament, but Hendrick was weak and an easy mark for the well-planned attack of the eastern pair. Only in the second set were the westerners really aggressive, but their brilliant dashing play here gave them an apparently safe lead of 4-1 and 40-15, but at this critical point the older stars turned the tide, and in spite of several great games pulled up and finally won at 8-6. The challengers lobbed well, and Bundy's twisting service and fast kill were effective, but the best they could do against the perfect generalship and clever execution of their great team of rivals was final score, 6-1, 8-6, 6-3.

HAROLD H. HACKETT AND FREDERICK B. ALEXANDER
National Doubles Champions

THOMAS E. BUNDY AND TROWBRIDGE HENDRICK
Winners of Preliminary Doubles

PRELIMINARY NATIONAL DOUBLES

AS in 1909 the preliminary tie between the east, south, west and California to settle which pair should challenge for the national title at Newport was played on the Onwensia club grass courts in Chicago. T. C. Bundy and T. W. Hendrick, the evenutal winners, represented California, and on the first day met the eastern champions, E. H. Whitney and R. Bishop, who had won the honors at Longwood, where they were dark horses, while the Doyle brothers from the southern section faced Waidner and Gardner from the middle west.

East vs. Pacific Coast

After the win at Los Angeles from McLoughlin and Long, Bundy and Hendrick were strong favorites, but they only just got the win, for both Bishop and Whitney played a remarkable game, the latter in particular outclassing the field at times. By fast accurate play the easterners won the first set, 6-4, but Bundy's brilliant work gave his team the second at the same score and the third at 6-1. Once more Bishop and Whitney forced the pace and their hard deadly volleying gave them the fourth set, 6-4, after their opponents had pulled up from 5-1. But the last was easy at 6-2 for the Californians. The score, 4-6, 6-4, 6-1, 4-6, 6-2.

South vs. Middle West

Except in the second set of this match, the two Doyles, H. E. and C. B., were completely outclassed and Waidner and Gardner made rather easy work, winning in straight sets, 6-3, 6-4, 6-3.

Pacific Coast vs. Middle West

This brought the far west against the middle west for the finals and the first set went to the latter pair after one deuce, Bundy in particular being unsteady and serving many double faults. But from this point the coast champions improved, and in spite of several close brilliantly fought out games and fast volleying duels, forged ahead and won the next three sets, 5-7, 6-4, 6-4, 6-3 and the right to challenge.

UNITED STATES NATIONAL CLAY COURT CHAMPIONSHIP

A NEW National Championship event was inaugurated under most auspicious circumstances this year, when the first annual clay court championship of the United States was played off at Omaha on the fine clay courts of Omaha Field club during the week of August 1.

Everything possible conspired to make the meeting an unqualified success, perfect weather and courts, splendid management, big galleries a large entry list—103 in all—the calibre of many of the contestants and standard of the play, not to mention the social features, which included two dinners, two dances, "the show," a mock trial and a big banquet and farewell reception Moreover, red fire and fireworks helped speed the parting guests.

The big draw included many players of prominence in the Middle West, such as Anderson, Dr. Hawk, Walter Hayes, Drummond Jones and Merrill Hall, but although these and others of their rank furnished many a close and interesting battle, they were all outclassed by the eventual winner, Melville Long, the Californian star. His path to the new championship was one triumphal march, for this young player was certainly in the best form of his career and annexed the title without the loss of a set.

Hall got into the finals, but there was completely outclassed and overwhelmed by Long, for although he made a game fight, succeeded in winning just two games.

Long and his partner, Scribner, forced the finals of the Doubles to five long sets, but were unable to snatch the victory from Hayes and Anderson, who won the titles in this event, the new Singles champion falling down badly in the last set, although his partner played the most brilliant tennis of the quartet.

THE DAVIS CUP

INTERNATIONAL TENNIS

DAVIS CUP.

One thing detracted from an otherwise banner year in American lawn tennis, there were no matches played for the International trophy, the Davis Cup, which as a result still stays the present property of Australasia. Early season discussion showed that the prospect of getting together a team of sufficient strength was likely to be next to impossible, and when the time came for preliminary arrangements as to elimination matches against England, it became certain that at that time at least no team could be secured and dispatched, for at first Great Britain refused to play the preliminary tie in this country again on the ground that it was our turn to visit them.

This seemed to mean that no play-off could be held before the teams were sent to the "down under" country, but the terms of the gift provided that in case arrangements could not be made to settle the question of what country should have the right to challenge the holders earlier, the challenging teams should play the tie-off in the country where the cup was held; Australia in this case.

All hope was not given up that a worthy team could be secured at the last moment and this hope was strengthened when several of the younger players, especially Bundy, made such a strong showing at Newport, even though Larned, Hackett and Alexander declared their inability to make the trip, and it was hoped all the season that Larned and Wright might go.

In the meanwhile, Great Britain had selected and announced a team, but the Australasian Association refused to guarantee full expenses for it on the ground that it was obviously too weak.

As a result of this, the English Association sent a hurried message to Dr. Dwight, stating their predicament and offering to come over for a fair guarantee, even at that late moment—for this happened late in August—and play off the preliminary tie here. The committee, consisting of President James Dwight, Vice-president R. D. Wrenn and W. J. Clothier, took up the task anew and after deciding not to select any players who in the case of a victory over England could not go to Australia, which eliminated Larned, Wright, Hackett and Alexander, decided to ask McLoughlin and Bundy as a nucleus. The latter had left for home and was telegraphed to and finally returned a negative answer after finding that he could not arrange his business in such a way as to allow him to make the trip. This settled the matter, for although McLoughlin remained willing to do his share, no other was regarded as a possibility, and the committee had to cable England a regretful refusal of her proposition, with a result that neither country made the trial and the blue ribbon of lawn tennis stays far from its real home at least one year more.

MISS HAZEL HOTCHKISS
National Lady Champion

WOMEN'S NATIONAL CHAMPIONSHIP.

THE twenty-fifth annual Women's Championship was begun on June 20, on the grass courts of the Philadelphia Cricket Club, and won again by Miss Hazel Hotchkiss from far-off California, who demonstrated her marked superiority, defeating the challenger, Miss Louise E. Hammond, her opponent in the finals last season, in straight sets. Although more erratic than last year, she was as dashing and versatile as ever and her essentially mannish style of play outclassed the New York star's steady and consistent game.

The entry list was hardly up to the standard, neither Mrs. Bager-Wallach nor Miss Sears, ex-champions, being present, but the names of Miss Hammond, Miss Rotch, Miss Edna Wilding, Miss Browning, Mrs. Drexel Paul, Miss Green, Miss Moyes, Canadian champion, Miss Neeley and others of like rank assured many a struggle of high class.

Rain on the early days and then terrific heat handicapped the players and proved the undoing of several. The semi-finals brought Miss Hammond and Miss Rotch and Miss Browning and Miss Wildey together, and as a result the two finalists were both representatives of New York, and Miss Hammond outplayed her comrade easily.

The challenge match was played under ideal conditions and a pretty match ensued, but the champion was never headed and won 6-4, 6-2.

Paired with Miss Edith Rotch, the Californian star won the doubles, also their best match, being that with Miss Green and Miss Moyes, which went to 10-8, 6-4, and with J. R. Carpenter, Jr., Miss Hotchkiss won the mixed event, making a clean sweep as in 1909.

Tilden won the finals of the men's event over Carpenter.

LONGWOOD OPEN SINGLES.

THE Longwood Club Singles tournament, played between July 18 and 25 on the splendid grass courts of the famous cricket club, proved the most successful of all the twenty meetings, and in the calibre of its players and the brilliancy of the resulting contests ranks at the top of the season's tournaments.

The outcome proved once more the truth of the saying that "Longwood is essentially a Larned tournament," for the master player again won the title, his for the twelfth time, and annexed his fourth trophy, winning over the brilliant Californian youth, M. E. McLoughlin, by a display of tennis the equal of the best he has ever shown.

The struggle for the honor of challenging him was a fine contest and McLoughlin, in winning the honor, showed his very best also, for after a poor start he successfully defeated C. R. Gardner, G. F. Touchard, B. C. Wright and Wallace Johnson. The first and third of these matches were contests out of the ordinary. In the former McLoughlin was badly off his game at the start and Gardner had 2 sets to 0 and 5 games to 3 on the third with his own service before McLoughlin really got going. Wright put up a hard fight but was badly out of condition as a result of being just off shipboard on his return from Europe, but he was unable to withstand the impetuous assault of the Pacific star.

Among the other matches worthy of comment may be numbered the stirring contests between R. D. Little and D. P. Rhodes, B. C. Wright and N. W. Niles, R. H. Palmer and F. C. Inman, G. M. Church and R. Bishop, who had earlier downed the Yale champion, Holden, and the surprising in Dean Mathey's win from the international player, R. D. Little.

Johnson was not up to his standard and McLoughlin had rather an easy time with him in the finals, but the speed, accuracy and generalship of Larned quite overwhelmed the western boy crack in the challenge match.

EASTERN DOUBLES CHAMPIONSHIP

THE Eastern Doubles Championship, held as usual in conjunction with the Longwood Bowl Singles, during the week of July 18, was productive of an absolutely unprecedented number of surprises and startling upsets.

The final outcome and victory of the almost unknown team of young players, R. Bishop and E. H. Whitney, was merely the culmination of a series of bewildering reversals in form, which eliminated, one after another, all the strong favorites and likely contenders for the honor of representing the east at Onwentsia.

Wright and Little, the leading candidates, apparently made their winning an assured fact by disposing of Larned and G. L. Wrennin three straight, in a fast and interesting match. They next faced Touchard and Gardner, who had barely won their first round match from Seaver and Putnam, playing very mediocre tennis. The meeting produced the most brilliant tennis of the tournament and likewise the first upset, Touchard being the scintillating star and almost unaided giving his team the victory over the ex-international pair.

At the same time, the Massachusetts Doubles champions and eastern title holders, Niles and Dabney, fell easy victims to the little-rated team of Ware and Hallowell, and the latter team, in turn, fell before the attack of the Yale champions, Holden and Watrous. In this round came another big upset, Touchard and Gardner bowing in defeat to Bishop and Whitney in a long, hard match, during which the Boston lads fairly outplayed the conquerors of Wright and Little and displayed a fast, accurate brand of tennis.

The final round was an anti-climax, Holden and Watrous falling easy victims to the eventual champions.

MIDDLE STATES CHAMPIONSHIP

THE default of the title holders in both Singles and Doubles robbed the Championship of the Middle states tournay, played at the Orange Lawn Tennis Club, N. J., on June 27 and days following, of its crowning glory.

For the first time in years, no Larned appeared to defend his title, William A. Larned and his partner defaulting in the Doubles, and E. P., the Singles title holder, was far away in Mexico.

There were many other prominent absentees and still others of the cracks were in poor shape, so that the tournay was hardly up to the standard.

The finals lay between Niles and Johnson and the former won in a very erratically played match by 7-5, 7-9, 6-3, 7-5.

The national champions, Hackett and Alexander, captured the Doubles events, as was expected, in straight sets from the western team of Waidner and Gardner, 6-2, 6-2, 6-1, who had won over Niles and Dabney in the semi-finals.

Miss Hammond retained her Singles title by defeating the challenger, Miss Neeley, while Miss Neely and Miss Rotch were successful in the Doubles.

SOUTHAMPTON TOURNAMENT

THE Meadow Club at Southampton, although a club championship merely, annually draws a list on entrees of the highest rank, and this year was no exception.

The list included not only many of the eastern experts, but the California stars, whose brilliant play made them strong factors and brought one of them a double victory.

M. E. McLoughlin captured the Singles event, downing J. D. E. Jones, N. W. Niles, his team mate, T. C. Bundy, and finally F. C. Colston in the finals, 6-2, 6-1, 6-2; while paired with W. A. Larned he also captured the Doubles defeating the western champions, Bundy, and Hendrick, in the finals, 8-6, 4-6, 8-6, 5-7, 6-4.

NEW ENGLAND CHAMPIONSHIP

T. R. PELL retained his title as New England champion once more this season by defeating the challenger, R. A. Holden, Yale champion, in straight sets. Pell was at his very best and got his name on the trophy again with ease. The meeting was voted a success in spite of abominable weather and a rather small entry list. Holden had little difficulty in going through the draw, winning the finals from his team mate, Watrous, and in Doubles this pair of Yale experts won the titles without the loss of a set. The tournament was played, as in the past, on the courts of the Hartford Golf Club.

GULF STATES CHAMPIONSHIP

THE tenth annual tournament for the Gulf States Championships in Singles and Doubles was held on the nine turf courts of the New Orleans Lawn Tennis Club, commencing Monday, June 6, and lasting throughout the week. In point of number the entry list proved to be the largest in the history of the club, there being fifty-two players in the singles and nineteen teams in the doubles, and a high class of play was maintained throughout the tournament.

PAUL MacQUISTON
Gulf States Champion

Paul D. MacQuiston, formerly of Mexico City, but now residing in New Orleans, went through the tournament with the loss of but a single set, and in the challenge round he wrested the title from the former holder, Esmond Phelps, in a spectacular five set match.

While Phelps had much the better of it in point of speed and was stronger on his backhand, his opponent was far too good for him in placing and accuracy. The winner used rare judgment throughout the match, and in no small degree was his success due to that.

In the Doubles, to the surprise of everyone, Carter and Mansfield, of Atlanta, won the tournament, defeating Pipes and MacQuiston in the finals in a hard-fought five set match; and in the challenge round they downed Logan and Phelps, the holders, with the loss of one set.

GEORGIA STATE CHAMPIONSHIP

THE Georgia State Championship was held this year in Atlanta, on the courts of the Atlanta Athletic Club, instead of at Macoun as formerly, beginning July 11. The entry list was not very large, there being only 16 in Singles and four teams in Doubles.

In the semi-finals Nat Thornton easily disposed of Glover, 6-0, 6-2, and Grant won from Atkisson by default. Nat Thornton and B. M. Grant thus met in the finals, and Thornton, very much to the surprise of the natives, won in straight sets. The sets were very close and Grant threatened to win time and time again. Thornton's net work was fine and his speed too much for his opponent. Grant served well and played his usual steady game, but Thornton's net work was too much for him. The score of the match was 6-4, 9-7, 7-5.

Thornton met E. V. Carter, Jr., in the challenge round and won easily in straight sets. He played a steady, accurate game and was never in danger. The score was 6-3, 6-1, 6-4. This is the second time that Thornton has won the cup.

In the Doubles only six teams were entered. In the first round Glover and Atkisson won from Harper and Scott by default. Grant and Thornton defeated Porter and Spratling in a hotly-contested match, 9-7, 7-5.

In the semi-finals Glover and Atkisson won from Williams and Willingham, by default. Grant and Thornton won from Kirven and Dozier, of Columbus, by default.

In the finals Grant and Thornton won from Atkisson and Glover, in straight sets, 6-4, 9-7, 7-5.

In the challenge round Grant and Thornton met Mansfield and Carter, and last year's champions retained their title. In the first set each man

won his serve until the score was 4-all, when Mansfield lost his serve and Grant then won his and the set, 6-4. Mansfield and Carter then got busy, and by out-volleying their opponents and taking the net away from them.

OLD DOMINION TENNIS TOURNAMENT

THE Sixth Annual Old Dominion Tennis Tournament for the "Hermitage Challenge Cups" was played on the courts of the Hermitage Golf Club at Richmond, Virginia, during the week of June 13, 1910, with sixty-three entries in the various events.

This tournament again retained its position as one of the important tournaments in the South, and provides a meeting place for the players from the North and South. Representative players from each section again faced each other across the net.

In the fifth annual tournament the North made a clean sweep of all four of the challenge cups and most of the prizes, but this year the South fared better, taking two of the challenge cups and a fair share of the prizes.

R. H. Palmer, of New Jersey, successfully defended his title to the Hermitage Challenge Cup in Men's Singles against Frank J. Hall, of Lynchburg, Virginia, but only after a very close match.

In Men's Doubles the cups were won by J. C. Neely, of Chicago, and Forrest Adair, of Atlanta.

In Ladies' Singles Mrs. Sullivan, of Alabama, successfully challenged Miss Turle, of Brooklyn, the holder of the cup.

The tournament was a great success from a social standpoint, the Hermitage Club maintaining its reputation for hospitality.

In 1911 the tournament will be held at the Country Club of Virginia, Richmond, Virginia, which, with its enlarged facilities and fine courts, will be able to take care of all the players and give them a fine time.

WESTERN NEW YORK TENNIS CHAMPIONSHIP

Buffalo, N. Y.

THE Western New York tenth annual Championship, with a good entry list composed of many leading players throughout the States and Canada, opened on the courts of the Park Club, Buffalo, N. Y., August 29.

This tournament is one of the sociable events of the Park Club, and with teas, dinners and many entertainments, the visiting players are kept on the go. WESTERN CHAMPIONSHIP

TENNIS IN THE HAWAIIAN ISLANDS DURING 1910

PROBABLY nowhere in the world can a greater sport-loving community be found than in Honolulu. Every form of sport is there found; intere-collegiate and association football, baseball, cricket, golf, polo, surf-riding—in fact, about everything on the calendar. But no game has a firmer hold than tennis. There are four regular tennis clubs, the Beretania, Pacific, Manoa and Neighborhood, beisdes any number of private or hotel courts. Outside the city, both on the Island of Oahu and on the other islands, nearly every plantation has one or more courts. The courts are generally of clay, with a very good playing-surface, though there are a few oiled courts, similar to asphalt. Grass courts are not used to any great extent, due both to the poor playing quality of the grass and the fact that the courts are in continuous use during the whole year.

Tennis in 1910 took a very decided boom because of the visit of the American challengers for the Davis Cup, Long and McLaughlin. On their way to Australia they played Gee and Roth of Honolulu, the local men getting one set, due partly to Roth's excellent work and partly to the fact that the Americans still had on their "sea-legs." On their return in January they were entertained at the University Club for a week, and gave some exhibitions of tennis against the local players, which were greatly appreciated by the public. At the Country Club they defeated Castle and Roth, 6-3, 6-3, before probably the largest crowd that had ever attended a tennis match in Honolulu. In Singles on the Beretania courts McLaughlin defeated Castle, 6-2, 6-2, and Long beat Gee, 6-0, 6-4. The tennis exhibited by the Californians was, to the majority of the Honolulu enthusiasts, a revelation, and tennis since then generally has improved to a marked degree. The people of Hawaii are looking forward with great expectation to the time when another American team will return, only hoping that the next stay will be a longer one.

The 1910 championships for the Islands were played in Honolulu in May and June. The Singles were won by A. L. Castle without the loss of a set throughout the tournament. Gee, the holder, who had won the title from Castle the year before by default, was in turn unable to defend. The feature of the tournament was the playing of Atherton Richards, a young lad of fifteen years, who reached the finals. With proper training, he has the making of a good player. The Doubles were won by R. A.

Honolulu Leading Players

and C. H. Cooke, the Mixed Doubles by Mrs. Coulter and A. M. Nowell, and the Ladies' Singles by Mrs. Coulter, the former holder. Mrs. Coulter later participated in the California tournaments, where she made a fair showing.

In the month of August the usual inter-island tournament took place between Oahu and Maui on the courts of the Hawaiian Commercial & Sugar Company during its Harvest Home Festival. These are grass courts and fairly good, though hardly in the Longwood or Newport class. The Honolulu men won by a large score, and brought back the challenge cup. This completed the large tournaments for the year, with the exception of club and handicap tournaments, the last of which was won by Eklund of Ewa plantation, a boy of sixteen, against a large field.

CHAMPIONSHIP OF THE PACIFIC NORTHWEST

DURING the week of August first came the twentieth annual Championship tournament of the Pacific Northwest, held as in the past at the Tacoma Lawn Tennis Club. The draw was weakened by the absence of many stars who were competing in the Championship of British Columbia, held at the same time, but the play was generally close and interesting, nevertheless.

The finals between W. S. Fitz and S. L. Russell, both of Seattle, produced some splendid tennis, the latter winning in a spectacular finish when apparently beaten, thus getting his name on the magnificent and costly Thorne Cup.

Fitz and Russell together won the Doubles handily.

Miss Hazel Hotchkiss, national champion, proved a big drawing card naturally, but her win was an easy one, and by it she gained permanent possession of the club cup. In the Doubles, too, she won with remarkable ease, having as partner Miss Leadbetter.

INTERCOLLEGIATE CHAMPIONSHIP

YALE won the single and Princeton the doubles intercollegiate Championship this Fall through the agency of R. A. Holden and Mathey and Dell respectively. This thirtieth annual tournament was held as usual on the fine turf courts of the Merion Cricket Club of Philadelphia, from September 7-10.

The general standard of play was unusually high, although neither Johnson, Gardner nor Long were present this year, and the competition was keen.

The big surprise of the meeting was the defeat of Dean Mathey of Princeton by Arthur Sweetser of Harvard in a four-set match, but in spite of this he was unable to win from Holden, the Yale star, in the finals, though the match was close.

R. A. HOLDEN, JR.
Intercollegiate Champion

Doubles.

The doubles Championship finally went to Princeton through the victory in the final round of Mathey and Dell over Evans and Goodhue of Yale. The four round furnished several hard matches and a number of distinct upsets, but the winners were both brilliant and steady throughout, simply smothering the persistent lobbing game of the runners-up.

The Summary:

Preliminary Round: R. Evans Jr., and E. Goodhue (Yale) beat H. Nickerson and C. S. Cutting (Harvard) ,11-9, 6-1; A. H. Sweetser and W. Frazier-Campbell (Harvard) beat J. C. Hoagland and R. B. McClave (Cornell), 6-1, 6-4.

NEW ENGLAND INTERCOLLEGIATE MEETING

DARTMOUTH once more captured the Singles Championship of the New England Intercollegiate Association, F. H. Harris winning the title from his team mate, S. B. Smith, again.

E. H. HARRIS
New England Intercollegiate Champion

This gives Dartmouth 7½ points toward the trophy, and had the Doubles event fallen to the green, as was anticipated because of the individual strength of its players, they would have won permanent possession. As it happened, the Hanover college lacks just ½ a point, while the other members stand: Williams, 7; M. I. T., 6; Brown, 4; Weslyan, 3; Amherst, 2½; and Bowdoin and Tufts, 1 each.

The general standard of play was better than ever, but in spite of this Harris outclassed the field and won easily. In the Doubles Holton and Bacon of Weslyan sprung a surprise by defeating Harris and Smith of Dartmouth and finally won the titles over Oakley and Benton of Williams.

National Interscholastic Champion

NATIONAL INTERSCHOLASTIC CHAMPIONSHIP

TOOK place at Newport during the week of the National Championship. There were four contestants entered, representing Harvard, Princeton, Columbia and Chicago Universities: E. H. Whitney, Harvard; G. M. Church, Princeton; W. M. Washburn, Columbia, and R. H. Hoerr, Chicago. It is hoped the coming season more players will enter this tournament and the universities will become interested and see that the winner of their Interscholastic tournaments are sent to Newport.

The match between Whitney and Church was a most interesting and well played four-set match. While Church was the most brilliant in his stroke, Whitney was steadier, being a left-handed player and somewhat the style of Beals Wright.

PENNSYLVANIA STATE TENNIS TOURNAMENTS

THE Merion Cricket Club, Haverford, Penna., enjoyed a most active and successful tennis season during 1910.

The tennis courts were kept in good condition, and their excellence was most favorably commented upon by visiting players.

In addition to the annual Pennsylvania Women's and Eastern States Tournament, the Pennsylvania Men's Tournament and the Intercollegiate Tournament, the usual club tournaments and inter-club matches were held on the club grounds.

Merion players showed their skill and excellence in the game by winning important places, both in the tournaments held at the club and elsewhere. Wallace F. Johnson won the Tennis Singles Championship of Pennsylvania and also the Tennis Championship of Philadelphia and district. Mrs. Rice and Miss Green won the Women's Doubles Championship of Philadelphia.

The Merion Men's Tennis Team, under the captaincy of H. C. Townsend, Jr., won the 1910 Inter-Club Tennis Cup.

MASSACHUSETTS STATE SINGLES CHAMPIONSHIP

N. W. NILES attained his long coveted goal this year when he absolutely toyed with the field in the Massachusetts Singles competition, held on the turf courts of the Longwood Cricket Club during the third week in June, and finally succeeded in breaking the hoodoo for years the former champion, R. C. Seaver, has proved to him, winning the challenge match, 6-3, 6-0, 6-3.

It is fair to say the Seaver was not the Seaver of old, but Niles was merely continuing a streak of almost perfect tennis which allowed him to outclass the rest of the players, for his game was without a fault apparently.

H. C. Johnson was the other contender in the finals, and although he rose to unexpected height, he too was defeated by identically the same score as Seaver was to be the next day.

MASSACHUSETTS STATE DOUBLES CHAMPIONSHIP

BY winning the Doubles Tournament at the Brae Burn Country Club, West Newton, on June 1, N. W. Niles and A. S. Dabney, former Harvard champions and Eastern title holders in 1909, became the new Massachusetts Doubles champions, for, owing to the absence of B. C. Wright, who was playing in England, the ex-national champion and his partner, F. J. Sulloway, had to let the titles go by default.

Except for the absence of Wright and the Leonards, all the leading players in the state participated, but the real outcome lay clearly between Niles and Dabney, the Johnson brothers, Sulloway and Rhodes and Seaver and Bishop, and the clashes between these teams furnished great contests.

Although extremely erratic, the individual play and brilliancy of the first named gave them the final victory and the titles.

Dana won the meeting cleverly, playing his partner, Gross, in the semi-finals for the fourth year, and a hard match resulting, and by splendid all around work defeated the back court exponent, J. O. Ames, in the finals, but Jones proved completely his master in the challenge match, winning 6-3, 6-3, 6-1.

VERMONT STATE TOURNAMENT

THE picturesque courts of the Old Pine Golf Club of St. Johnsbury Vt., which overlook the town and command a beautiful view of the rolling hills, is where the scene of the Tenth Annual Tournament for the Vermont Championship in Singles and Doubles, from August 9 to 13 was laid.

There were twenty-three entries in the Singles and ten pairs in the Doubles and only a very few defaults occurred to mar the tournament.

Fred H. Harris of Brattleboro, Vt., and Dartmouth College, state champion in 1909 in the challenge matches. Harris has profited greatly by his tournament experience in the past year. In the Spring he won the Championship of the New England colleges at Longwood and came to St. Johnsbury fresh from a victorious week in the White Mountain tournament, which he won. In the challence round Porter was no equal for his strong game, which was much more varied than formerly. Harris, therefore, wins a second leg on the Championship Cup and needs but one more win to become its permanent owner.

In Doubles, Harris and Pike met Kent and Tomlinson in the finals. It was a very easy victory for the champion and the ex-champion.

There was much speculation whether the brilliant strokes of Harris and the steadiness of Pike would be able to overcome the team work and the great ability to cover ground of Collester and Porter, 1909 champions,

and this match was anticipated with more interest than any other during the tournament. The gallery was not disappointed and furnished an appropriate climax to a most successful tournament.

There were some close contests and good tennis in the consolations, which were finally won by Cady of Philips Exeter Academy.

WEST VIRGINIA STATE TOURNAMENT

THE Fifth Annual Invitation Tennis Tournament for Championship of West Virginia was held on the courts of Parkersburg Country Club, August 22, 23, 24, 1910.

WEST VIRGINIA STATE TOURNAMENT
Parkersburg, West Va.

Ideal weather conditions and perfect courts, coupled with a splendid entry list and sterling tennis, brought out large galleries of enthusiastic spectators.

The visiting players were entertained on the evening of the second day with a sumptuous banquet, and the tournament was brought to a close with a brilliant dance given in honor of the players on the evening of the third day.

By clever play in their respective halves, R. E. Bowie of Wheeling and Ed. Hanlon of Sistersville met in the final round, but owing to illness, Hanlon was compelled to default. This gave Bowie the right to challenge Everett Drenner of Fairmont, W. Va., holder of the cup, but the challenge round was a disappointment to a great many, as Bowie seemed to be unable to get going, and Drennen, who was right on to his game, won in straight sets, 6-3, 6-3, 6-1, thus giving him his third win and permanent possession of the challenge cup.

The Double events were won by Everett Drennen and J. O. Watson of Fairmont against R. A. Johnson and J. A. Shrewsbury of Parkersburg in the first round, 7-5, 5-2, 5-1.

TRI-STATE CHAMPIONSHIP

THE Twelfth Annual Tri-State Championship of Ohio, Indiana and Kentucky, played upon the excellent courts of the Cincinnati Tennis Club, August 27, was a most enjoyable tennis feature and well up to the standard set by this famous club in past years. To be sure, the weather man was rather unkind to the tennis fans assembled in Cincinnati, but it takes more than bad weather to mar the excellence of a Tri-State Championship. "Dick" Palmer, the genial "south-paw," annexed the title, and the victory was a most popular one, as Palmer is a favorite in Cincinnati, second only to "Nat" Emerson and "Bobby" Le Roy. Miss Steever won the ladies' championship.

The class of the entry compared very favorably with that of previous years. The better known of the men contesting were W. F. Johnson, R. H. Palmer, Richard Bishop, R. A. Holden, Jr., W. Merrill Hall, Arthur Sweetser, J. Floyd Day, Nat Thornton, P. B. Hawk, T. H. Emerson. The ladies' events were rendered particularly enjoyable through the presence of Miss Fairbairn of the University of Toronto. This young lady added much to the success of the tournament both from the tennis and the social standpoint.

Two local products came into the limelight this season in Frank Marty and John Wentzell, both promising players.

Le Roy's absence, which was much deplored, gave the title to Palmer, by default.

The Men's Doubles went to Johnson and Palmer after a long five-set match with Bishop and Sweetser. The Boston team would have won had Sweetser been a trifle less erratic at critical times. The Ladies' Doubles were won by the Misses Kinsey and McLaughlin, while "Trux" Emerson and Dr. Jane Craven took the mixed Doubles.

ILLINOIS STATE CHAMPIONSHIP

THE Championship of Illinois in Singles and Doubles for both men and women and in Mixed Doubles was held for the eighth time on the courts of the Astec Tennis Club at Chicago, beginning July 9.

Only one championship changed hands, but the tournay made a record for new players, many of whom displayed tennis of an encouragingly high order.

The entry list, too, broke all previous records, 64 in Men's Singles, 32 teams in Men's Doubles and a proportionately large women's list.

Once again Walter T. Hayes successfully defended his title, this time against Albrecht Ludke, but the match was close and a fine contest, a crowning climax to the challengers' series of hard struggles.

The Men's Doubles furnished an upset, the former champions and favorites, Peters and Hayes, losing in a four-set match to Morley and Helmholz.

In the Women's Singles, Miss Miriam Steever downed Miss Carrie B. Neeley in straight sets, and with her vanquished opponent won the Doubles and made it three straight by capturing the Mixed Doubles with Mr. Forstall.

TEXAS STATE TOURNAMENT

THE Annual Tennis Tournament for the State of Texas for 1910 was held on the courts of the Dallas Lawn Tennis Club during the week beginning June 20th. This club has eight of the best clay courts in the United States, and one of the most conveniently arranged club houses, recently remodelled, and most excellently arranged for tennis purposes. The tournament was a marked success in classy play, as well as from the social viewpoint. The tournament was especially notable because of the marked improvement in the play of a number of local Texas men. Payne of Texarkana, who came into notice last year by retiring former champion C. C. Cresson, showed still further improvement and defeated Leon Walthall, who was picked by many as a possible winner of the tournament. E. V. Alden of Oklahoma surprised the fans by defeating a veteran and former champion, J. L. Cunningham. Murphy and Sims, a new team from A. & M. College, played a snappy double game that landed them into the Doubles finals.

HARRY MACQUISTON

Among the local Dallas men, Messrs. Hogue, Adoue, Shelton and Geen showed excellent form, losing their matches mainly through lack of tournament experience. Butlin, the last year's holder of Texas Singles championship cup, could not attend

The winners of the Doubles, Messrs. Semp Rnss aud Walter Walthall, of the San Antonio team, were forced to one clese contest, that being against Bailey and MacQuiston in the second round, finally winning out by team work, a quality in which the winning team excels, Mr. Russ especially being a heady and unruffled example of what experience in tournament play teaches.

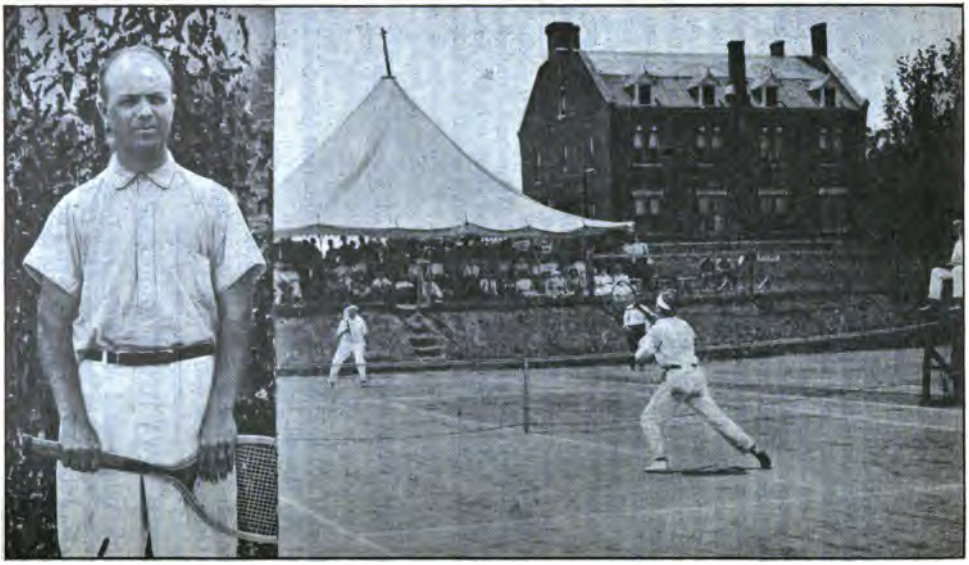
This tournament is fast becoming one of the most important in the



Central Iowa State Tournament
H. L. BYER, Champion

Middle West because of the class of players entering, and the 1911 meet, which will be held in Toledo, Ia., July 11-14. already gives promise of far surpassing any previous one held by this association.

The Singles Championship remained with Dr. F. P. St. Clair, Toledo, 1910 champion, which gives him a second leg of the silver cup of the association.

In Doubles, the 1910 champions, Messrs. Rorem and White, lost to Messrs. Bradley and Green.

COLORADO TOURNAMENT

THE Colorado State Championship took place September 3 on the courts of the Denver Country Club, Denver, and was the most successcessful tournament as to the number of entries and good tennis shown that has ever been held in the state.

The tournament was won by C. P. Dodge of Colorado Springs, who defeated Walter Andrews of Denver in the finals. Dodge, by winning the tournament, was entitled to challenge the 1909 state champion, Donald Harker, to decide the championship title for the year 1910, and also for the possession of the Walsh cup. The championship match resulted in a victory for Dodge in three straight sets over the former champion, Dodge thus winning the championship and getting his name on the Walsh cup. Up to date the Walsh cup has been won once by Dr. Graham, twice by Donald Harker, and now by Dodge. Had Harker defended his title successfully this year, the cup would have become his property, according to conditions of same. There were 40 players entered in Singles, while 20 teams made up the Doubles event.

In the Doubles the tournament was won by Scribner of Omaha and Hutchinson of Colorado Springs, who won from Dodge and Gardner of Colorado Springs, partly by default. The match was played Friday afternoon and each side won two sets, and Scribner and Hutchinson had

their opponents three games love in the fifth set, when the game was called on account of the darkness and storm. As Dodge had just completed his Singles and was pretty well worn out, they decided to default the balance of the match, thus declaring Scribner and Hutchinson the winners of the tournament. It was very likely they would have won anyway, entitling them to challenge the last year's Doubles champions, J. W. Graham and J. W. Morey. The match was played on Saturday afternoon, September 3, which resulted in a victory for Graham and Morey in three straight sets, who thus retained the championship for another year.

LAWN TENNIS IN CANADA

CANADIAN OPEN CHAMPIONSHIP

THE Open Canadian Championships were played on the grass courts of the St. Matthews Lawn Tennis Club, Toronto, in the week of July 25. It was the first time in twenty years the championships have been contested in Toronto. The entries were highly satisfactory and were thoroughly representative of Central and Eastern Canada. Allen of New York and Ross of Chicago were also among the players. The courts were in excellent shape and the weather (except on the concluding day) was perfect. Keen interest was taken in the final round of the Men's Singles. Allen (the American ex-Doubles champion) had already disposed of Laird, McMaster and Ross and had to meet Baird, the Ontario Champion. Baird won the first two sets somewhat readily, but the third set was a battle royal and went to twenty-four games. From the thirteenth game each player won on his service, but in the fianl game with Baird at 40-love, Allen pulled out the game with five out of six placed shots, Allen tired in the fourth set and Baird took it somewhat easily. In the challenge round, Captain Foulkes of Ottawa, the holder, found the court to his liking. Rain had fallen and the court was soft. Foulkes was very accurate in his play, netting very seldom and keeping balls in the court. He showed good generalship and forced Baird to play his game, and although the match went to five sets, the holder, Foulkes, retained the title for another year. The Doubles Championship went to Allen and Sherwell after a hard struggle in the final round with Baird and Glassco, which went to five sets. But the challenge round was an easy affair.

Mr. Sherwell, who is a recent arrival in Toronto from Montreal, held the Canadian Championship in 1908 and will be a great acquisition in local tennis circles. Miss Moyes won all the ladies' events and showed excellent form throughout, Miss Summerhayes giving her the hardest game. The holder of the championship, Mrs. Hannam, is in England and did not defend. The championships for 1911 will be played in Ottawa.

INTERNATIONAL TOURNAMENT

THE International Championships held on the courts of the Queens Royal, Niagara-on-the-Lake, Canada, have for many years been a standing fixture for the week succeeding Newport, and every National Champion of the past twenty years has played there. The increase in the entry list for the National Championships now necessarily extends the competition there into a second week and Niagara suffers in consequence. Nevertheless, the entries in 1910 were very satisfactory, although the quality was hardly up to the usual standard and did not compare with the previous season, when Messrs. Beals Wright, Janes, Sinsabaugh, R. D. Little, Nat. Niles and Robert Baird were the star attractions among the men and Miss May Sutton, Mrs. Hannam, Miss Rotch, Miss Neeley, Miss Moyes and Miss Steever among the ladies.

In the Men's Singles none of the Canadian players survived the third round, although Wick, Hoerr and Drummond Jones each had to play three sets before they defeated their opponents, McEachren, Laird, Hall, Purkis and Burns. In the final round Wick beat Drummond Jones in straight sets, but the play of both men was not equal to their best, the light being tricky and the court in poor shape. In the challenge round Nat. Niles, the holder, had little difficulty in retaining the title. In the final of the Men's Doubles, Drummond Jones and Hoerr beat Burns and Carroll after a good game and Miss Steever and Hoerr won the mixed event from Miss Fairbairn and Burns. Miss Moyes of Toronto did remarkably well in the ladies' event, defeating in turn Miss Craven, of Pittsburg, Miss Steever, of Chicago, and Mrs. Beard, of Cincinnati, and won the Championship in the absence of the holder, Miss May Sutton. The absence from Niagara of Messrs. Allen, Foulkes and Baird, who had done so well in the Canadian Championships in Toronto, was much regretted. Messrs. Hall and Burns were in charge of the tournament arrangements and everything ran smoothly, all events being brought to a conclusion within the week. The tournament will take place this year at the usual date, August 28.

NOVA SCOTIA LAWN TENNIS ASSOCIATION

THE Tenth Annual Tournament of this Association was held on the splendid courts of the Mayflower Lawn Tennis Club, New Glasgow, N. S., beginning August 1 to 6, 1910, and was equally as great a success in the number of competitors and proficiency of play as the tournament of 1909. The weather governs a tennis tournament to a great extent and on this occasion for the most part of the week it was favorable.

NEW BRUNSWICK LAWN TENNIS ASSOCIATION CHAMPIONSHIP

THE Seventh Annual Tournament of the New Brunswick Lawn Tennis Association was held on the courts of the Fredericton Tennis Club on Tuesday, the 16th inst., continuing until the following Saturday. The tournament was an unqualified success. Ideal tennis weather prevailed throughout the week, with the exception of one morning, when

the courts, on account of a heavy rain the preceding night, were not in good playing condition.

The championship matches took place on Friday and Saturday afternoons, the title holders of the year before defending against the winners of the tournament. Three of the championship titles went to Fredericton and two to the St. John Tennis Club.

The Scores:

Men's Singles

T. Malcolm McAvity, St. John.

Ladies' Singles

Mrs. H. R. Babbitt, Fredericton.

Men's Doubles

T. M. McAvity and William M. Angus, St. John.

Ladies' Doubles

Mrs. H. R. Babbitt and Miss Helen Babbitt, Fredericton.

Mixed Doubles

Miss Helen Babbitt and A. R. Babbitt, Fredericton.

The most exciting match of the series was that between A. R. Babbitt, winner of the tournament, and T. M. McAvity, the 1909 champion. Mr. Babbitt won the first set. The second set was hotly contested throughout and went to McAvity by a close margin. After that Babbitt gave way before McAvity's steadiness and experience and the remaining sets were won by McAvity.

Mr. McAvity first won the Provincial Championship at Sackville in 1907 and has retained his title since that date. His victory this year entitles him to have his name placed on the Thomson Cup for the second time. This is a handsome silver trophy donated last year by Mr. P. W. Thomson, to be the property of the winner of it for three successive times. This year the President of the Association, Mr. Roy Morrison, of Fredericton, presented another silver trophy for the Ladies' Singles to be played for and won on the same terms as the Thomson Cup.

One of the noteworthy features of the tournament was the large entry list, which is significant of the progress which lawn tennis has made in New Brunswick. There were five clubs represented at the meet: Sackville Tennis Club, the Rothesay Tennis Club, the Westfield Outing Association, the Fredericton Tennis Club and the St. John Tennis Club.

At the annual meeting, Mr. Roy Morrison of Fredericton was elected President for the ensuing year and Mr. S. Gregory, of Westfield, Vice-President. It was decided to hold the 1911 tournament in St. John.

On Saturday, September 3, the winners of the New Brunswick Tourna-

ment meet the winners of the Nova Scotia Tournament on the courts of the St. John Tennis Club to decide the championships of the Maritime Provinces.

MAINLAND OF BRITISH COLUMBIA CHAMPIONSHIP

THE Thirteenth Annual Tournament for the Championship of the Mainland, B. C., was held on the grounds of the Vancouver Lawn Tennis Club, Vancouver, B. C., the week commencing July 25.

The grass courts were in excellent condition and a very large number of entries was received, and several new players on the coast courts put in an appearance and added greatly to the interest in the events. Among others, H. G. Garrett of Calgary, Alberta, played a fine game throughout the tournament, being beaten by B. P. Schwengers in the semi-finals in the championship match.

The interest centered in the Men's Singles for the Championship of the Mainland of B. C., and was finally won by B. P. Schwengers of Victoria, who easily defeated Jos. C. Tyler of Spokane in the finals by a score of 6-1, 6-4, 6-1. Mr. Schwengers was probably playing better than he ever played before, his game with H. G. Garrett of Calgary in the semi-finals being the only game that he had to extend himself. He won from the latter on a score of 6-4, 6-8, 6-3, after a fine display of tennis on both sides.

Mr. E. J. H. Cardinall of Vancouver also played well through the match, meeting Jos. C. Tyler in the semi-finals, the latter winning by a score of 6-4, 6-1.

The Ladies' Singles for the new Challenge Cup and Championship of the Mainland, B. C., was won by Miss V. Pooley of Victoria, who beat Miss Beckett, Vancouver, in the finals, 6-4, 6-2.

The Men's Doubles was won by B. P. Schwengers and B. Rhodes, Vancouver, who defeated E. A. Gilliar and A. G. Jukes, Vancouver, in the final, 6-2, 6-3, 6-0; Jos. C. Tyler, Spokane, and F. A. Macrae, Victoria, falling victims to Schwengers and Rhodes in the semi-finals, 12-10, 6-1.

The Ladies' Doubles was won by Miss V. Pooley, Victoria, and Miss N. Baker, Vancouver, who defeated Miss Hobson and Miss Erwin, Vancouver, in the finals, 6-2, 6-3.

The Mixed Doubles was won by D. S. Montgomery and Miss Beckett, Vancouver, who beat E. A. Gilliar, Vancouver, and Miss V. Pooley, Victoria, in the finals, 6-8, 6-1, 6-4.

The Veterans match for the A. C. Flumerfelt Cup was won by A. F. James, Vancouver, who beat H. Hulbert in the finals, 7-5, 6-3, 2-6, 6-4. This match is always interesting and the gallery watched the games closely and applauded the fine play and close finish.

The match for boys under 21 was won by Mr. John L. Burns, Vancouver, a promising young player, who defeated Wilfred Stoess in the finals, 3-6 3-6, 6-8, 6-3, 6-4, a hard and tiring finish, which tested the youngsters to the utmost. There was a large entry and several of the competitors will be heard of in future tournaments.

The match for boys under 17 was won by R. Bell Irving, Vancouver, who beat A. B. Raymond, Vernon, B. C., 8-6, 5-7, 4-6, 6-2, 6-4.

There was a large attendance during the week and tea was served by the ladies in the handsome clubhouse each day. The prizes were presented by Mr. D. G. Macdonnell after the final event, Mr. E. Cave-Browne-Cave, the president, making a short address before the prize giving.

The grounds are being returfed and the season of 1911 is expected to be one of the best in the history of the club, as many new and strong players are coming to the front.

ALBERTA PROVINCIAL CHAMPIONSHIP

THE Fifth Annual Open Tournament for the Alberta Provincial Championship was held on the courts of the Calgary Lawn Tennis Club, August 8 to 13 inclusive. There were five events, the Men's Singles and Doubles, the Ladies' Singles, Doubles and Mixed Doubles. The holders of the cups must play through each round.

In the Men's Singles, Mr. Northrop beat the holder of the Doll Challenge Cup, Mr. Garrett.

In the Men's Doubles, Mr. Northrop and partner won the tournament and the Challenge Cup, by default; the holders did not defend.

The Ladies' Singles was won by Mrs. Dudley Smith; Miss Sterling did not defend.

In the Mixed Doubles the Challenge Cup held by Mrs. Adams and Mr. R. T. Holman was won by Mrs. Dudley Smith and Mr. H. G. Garrett.

The tournament was pronounced a grand success. The tennis committee did everything to make it pleasant for the players and guests with dances and garden parties.

BEALS C. WRIGHT ABROAD

LAST June and July, Beals Wright visited England, and during the trip played in four tournaments: the Northern Championship, European Championship, Beckenham, and the English Championship, finishing with the very good record of only losing one match, that being in the final of the English Championship after a hard five-set match with Wilding.

BEALS C. WRIGHT

Wright entered the London Championship at the Queens Club, which took place the week before the Championships, but as the committee refused to allow him to wear spikes on the slippery courts, he was forced to retire, consequently losing a most valuable week of play just before the principal tournament.

In any athletic contest it is difficult to meet with success in a foreign country, and this may be particularly applied to lawn tennis. It is hard to go abroad and play under different conditions, as one does not have time in a few weeks to become properly acclimated. Besides the climate there is the living, the customs, the turf and that only natural feeling, that the people do not want to see their championship carried away by a foreigner. For these reasons it is a big handicap for a player to overcome and really do himself as much justice as when playing at home. Playing away from home affects some people more than others, but is bound to be a mental strain on everyone, and taking all this into con-

sideration, Beals Wright deserves a great deal of praise for the showing he made in the leading English tournament and the English Championship, he being the only American who has ever reached the final round of the Men's Singles for the English (or as they term it) World's Championship.

Wright's most notable victories were over Parke, Crawley, Casdagli and Charlton, the first two being of international fame. Also Roper Barrett, Powell, Lowe and Thomas at Beckenham and the two Lowes, Powell and Crawley at Wimbledon.

REGINALD FRANK DOHERTY

WITH deep regret we record the death of Mr. Reginald Frank Doherty, who for years held many of the highest honors of the tennis world. He died at the home of his parents in London, England, last December, at the age of 36.

He had been suffering for several years from heart trouble and was forbidden by his doctor to play in five-set matches, and it was practically on this account that he was defeated by Gore in the English Championship in 1901. R. F. Doherty was tall, slender, and very graceful. In playing, his wonderful eye, his irresisteble service, and the fact that he had no weak points, were the main qualities of his success. He was a student of the game and made it a point either to let his opponent make the mistakes or keep the ball in action until the chance came to kill, which he did with rare certainty.

Aside from tennis, Mr. Doherty was very popular. He had friends in every country, and his trips to America were looked forward to by those who knew him with great pleasure. He was a thorough gentleman and sportsman in every sense of the word and will be known as such for many generatoins to come.

THE FLORIDA WINTER TOURNAMENT

THE Second Annual Tournament of Men's Singles and Men's Doubles for the Winter Championship of Florida proved to be a most pronounced success. The tournament was scheduled for Tuesday, February 28, and following days and was pulled off promptly according to schedule. A good representation from the North commencing to wind their way toward the celebrated "Riviera," some starting a week in advance, each doubtlessly thinking that his possibilities would thus be enhanced, enabling him to get his name on the coveted challenge bowl, presented by Mrs. H. M. Flagler, and which, by the way, in the opinion of those who have an opportunity of knowing, is one of the most artistic and unique challenge designs that has ever beent turned out and offered in any tournament.

The players found that the courts on which the tournament took place represented a very high type of dirt courts.

A referee and complete corps of linesmen being provided for all matches, any violation of the rule was promptly penalized. The tournament itself and the number of matches played was a grand success. Geo. Church, who won the tournament and had his name placed on the handsome bowl with Beals Wright, played fine tennis throughout the event. He also won the Doubles with Herbert Coppell.

The Mixed Doubles were won by Miss Eleonora Sears and R. E. Racey, and the Womens' Doubles by Mrs. Bull and Miss Sears. Of course, these features, as is always the case, proved to be the really social event of the tournament.

The Palm Beach Tennis Club, with Dr. Owen Kenan as President, H. K. Bolton as Vice-President, H. E. Bemis and Leland Sterry as Governors and H. M. Wing as Secretary, extended every possible courtesy to the visiting players, and each man left for the North with the highest praise for the club and its management.

PINEHURST MIDWINTER TOURNAMENT

THE First Open Midwinter Tournament of the Pinehurst Country Club, Pinehurst, N. C., took place on the courts of this club, January 23 and following days. Irving Wright won the tournament, defeating H. C. Bridgers in the finals by steady play, his cut strokes bothering his opponent.

Paul Gardner, the Western Intercollegiate Champion, did not enter the Singles owing to sickness, and in the Doubles, Gardner and Bridgers defaulted to Wright and Bissell in the finals.

In the Ladies' Singles very good tennis was shown, particularly in the finals between Mrs. Hager and Mrs. King, the former proving the victor after two well played sets.

Miss Barbara Lewis and E. B. Aymar were the winners in the Mixed Doubles.

For the First Midwinter Open Tournament held at Pinehurst it was quite a success. Mr. Leonard Tufts did everything to make it pleasant for the visiting players.

The 1912 tournament will take place January 29 and following days.

LAWN TENNIS NOTES

CHARLES S. Garland, who is only twelve years of age and not much taller than a tennis net, is Pittsburg's most promising young player. He wields his racket in a style of a Larned, having the different strokes down to the best of form.

He played in several tournaments last summer, but in the event of the Pittsburg Field Club made his best showing, winning several matches from players twice his age, and interested admirers on the side lines who watched him play were surprised at his all-around tennis. With age and strength, there is every promise of his becoming a future champion.

The promising young players of the season of 1910 were R. H. Holden, Intercollegiate Champion; Paul Gardner, winner of the Western Intercollegiate tournament; E. W. Whitney, National Interscholastic Champion; George Church, runner-up; E. H. Harris, New England Intercollegiate Champion; Clarence Fisher, winner of the Maryland State tournament; F. C. Marthy, Ohio State Champion; Chas. Benton, winner of the Michigan State tournament; Clifford Lockjoin, winner of the Kentucky Bi-State; Winifred Mace, winner of the Southern California tournament; the Rogers brothers, California Intercollegiate, and E. Fottrell, San Francisco Interscholastic Champion.

The Guide is often asked by tennis players who contemplate a trip abroad, the dates of the English Championships. We refer them to the

English official paper, "Lawn Tennis," in which is published a full list of dates, and if further information is wished, address Editor of Lawn Tennis, 353 Strand, W. C., London, England.

No doubt it will prove interesting news to the older tennis players to hear that Harry Avery and "Empie" Wright played in a tournament at Pinehurst the past winter, in which they met in the finals, the former winning.

A new rule this season is that spikes on tennis shoes must not be more than one-eighth of an inch in length.

Since the visit of the first team of tennis players to the coast in 1899, which consisted of Malcolm Whitman, National Champion; Dwight Davis and Holcombe Ward, National Double Champions, and Beals Wright, Interscholastic National Champion, the game has advanced very fast. Much credit for this is due Jas. A. Code of San Francisco, as it was he who brought about the visit of the team and the following winter he wrote East for information and the rules under which lawn tennis was played in the public parks of New York, Philadelphia and Boston. This information was furnished him by Mr. George Wright and resulted in courts being built in Golden Gate Park, a club being formed named the Golden Gate Club, which is mostly composed of young players who receive every encouragement under the watchful eye of Dr. Marvin, causing the game to become very popular on the coast and throughout California and has developed three players in Maurice McLoughlin, Melville Long and Thomas Bundy, who have gained a national reputation.

Again this year the dirt court championship has been awarded to Omaha, and without opposition. This was rather expected after the successful manner in which it was run last year. The courts were perfect and the visitors were treated in a most hospitable manner.

Let us hope that the tennis players themselves will be more generous in offering their services as linesmen and umpires at the various tournaments, especially the championship. It will prevent undue criticism towards the committee.

Wright & Ditson's Revised Hints to Beginners is a book full of information to the old as well as the young players, containing illustrations showing how to make the different strokes, with other information of value.

There will be many changes made at the Queens Royal, Niagara-on-the-Lake, for the coming season of 1911, and players entering the International tournament are promised good courts, with shower baths, which they will prefer to bathing in the lake after their matches. The tournament takes place the week of August 28.

South Africa entering for the Davis Cup and the result of the drawings causes America to play South Africa and England to play the winner. This will cause the preliminaries to be played the the country holding the cup, which is Australia, and prevent England and America playing in either one of the latter countries, which has been the case in past years.

Edward B. Dewhurst, well known as well as liked in tennis circles, has just completed a most valuable book of 150 pages with cuts. The title of the book is "The Science of Lawn Tennis" and should be in the homes or clubs of all tennis players. For sale at any of Wright & Ditson's stores at $2.50.

HOW TO MAKE A LAWN TENNIS COURT

In making a Lawn Tennis Court there should be, if possible, a clear margin of at least 12 feet on each side and 21 feet at each end of the court, or, between adjacent courts, 18 feet on each side; but should the courts be placed end to end, or end to side, there should be spaces of 42 feet or 33 feet respectively and a back net at least 8 feet high between.

The cheapest and most easy court to make is a

Clay Court

It is done by removing the sward from the lawn, taking care that the same is cut deepenough not to allow any of the grass roots to remain; there should be a space dug out 118 feet by 56 and about 6 or 10 inches deep, fill in with yellow clay and cover with 1-2 inch of carefully sifted binding gravel, taking out all small stones to the size of a pea, wet well and roll into the foundation of clay. If the court continues to be soft or sticky, spread more binding gravel over it, and continue to roll until the clay and gravel commences to bind and becomes firm. The maker of the court will have to use his own best judgment about this, as it is hard to decide the exact quantities of clay and binding gravel that should be used to cause the court to have the proper firmness.

In making the court there should be a gradual slope from the base lines to the center running across the court. Between the net posts should be built a blind drain; this is done to take off the water after a heavy rain.

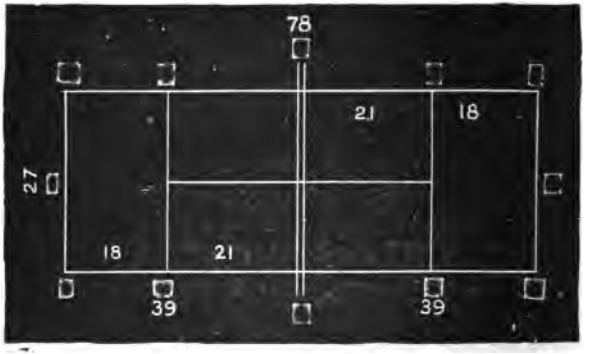
A stone foundation is bad for a court, as it becomes hard and dry and severe on a player's feet and legs to play on.

Grass Courts

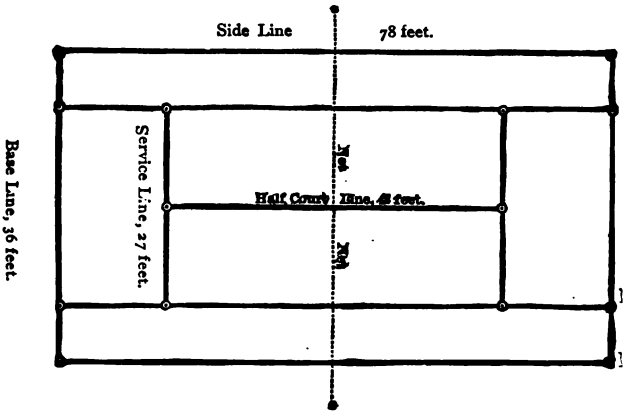
These can be made in three ways, namely: first, by improving an existing stretch of turf until it is level and

smooth enough; second, by leveling the ground, preparing the soil, and sowing grass seeds; and third, by laying fresh turf. Of these, the former is of course the simplest; but as the requisite piece of grass land is rarely available, particulars for preparing it are seldom required. In improving such a piece of turf care should be taken to remove all weeds or coarse grasses, and to freely use the spirit-level. To raise hollow places the turf should be cut out, lifted, and fine soil placed underneath until the proper height has been obtained, when the turf should be replaced and well beaten down with the flat side of a spade. On the other hand, small mounds should be removed by taking the soil away from under the grass, some fine mould being placed underneath the turf before it is replaced. To prepare a court for sowing seeds the same instructions may be followed as for making a turf-laid one, except that the seed will be sown instead of the turfs laid. Take care that the seed is good by purchasing from a first-class seedsman, and, when ordering, it will be well to state what sort of soil is to be sown. By far the larger number of courts are made by laying fresh turfs.

When preparing the ground for a court, it is desired to level a portion measuring 100 x 50 feet, which allows an ample margin; but for the playing portion itself only 78 x 36 feet is necessary. If economy must be strictly considered, only the latter need be carefully prepared; but it is better to have the whole done if possible.



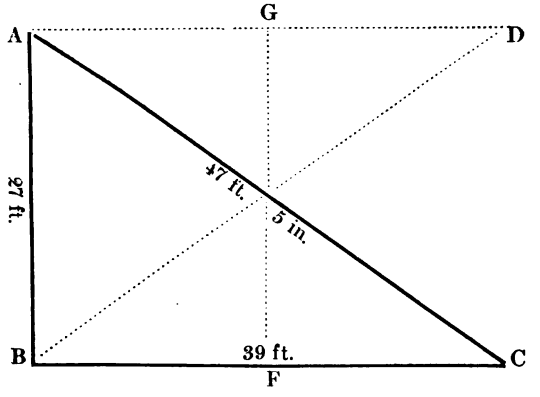
SINGLE COURT.



DOUBLE AND SINGLE COURT.

Dimensions of Lawn Tennis Courts.—The above cuts give the dimensions of the single court, and the double and single court on which a single or double game can be played.

HOW TO MARK OUT A COURT



As a double court practically includes every line to be found in a single court, it is best to take first the measure for the latter. Having determined the position of your net, plant in the ground, in the line chosen, two pegs, 27 feet apart (at the points A and B in the diagram). Then take two measures and attach their respective ends to the pegs A and B. On the first, which will measure the diagonal of the court, take a length of 47 ft. 5 in.; on the other, 39 ft.; pull both taut in such directions that at these distances they meet, in a point C. This will give one corner of the court. At that point, F 21 feet from B, put in a peg to mark the end of the service-line. The other corner, D, and the other end of the service-line G, may be found by interchanging the measures and repeating the process. The same measurements on the other side of the

net will complete the exterior boundaries of the court. By prolonging the base-line 4 ft. 6 in. in each direction, and joining the four new points thus obtained, we can make the side-lines of a double court. It only remains to mark the central line. This is done by joining the middle points of the service-lines. If a double court alone be required, the interior side-lines need not be prolonged to meet the base-lines. Remember that in all cases the net-posts must stand at a distance of three feet from the side-lines.

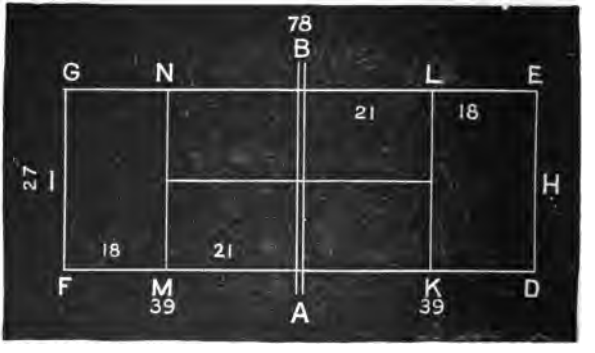
LAWS OF LAWN TENNIS.

THE COURT.

1. **The Court** is 78 feet long and 27 feet wide. It is divided across the middle by a net, the ends of which are attached to two posts, **A** and **B**, standing 3 feet outside of the court on either side. The height of the net is 3 feet 6 inches at the posts, and 3 feet in the middle. At each end



of the court, parallel with the net, and 39 feet from it, are drawn the base lines **D E** and **F G**, the ends of which are connected by the side lines **D F** and **E G**. Halfway between the side lines, and parallel with them, is drawn the half court line **I H**, dividing the space on each side of the net into two equal parts, the right and left courts. On each side of the net, at a distance of 21 feet from it, and parallel with it, are drawn the service lines **K L** and **M N**.

THE BALLS.

2. The Balls shall measure not less than 2½ inches, nor more than 2 9-16 inches in diameter; and shall weigh not less than 1 15-16 ounces, nor more than 2 ounces.

THE GAME.

3. The choice of sides, and the right to serve in the first game, shall be decided by toss; provided that, if the winner of the toss choose the right to serve, the other player shall have choice of sides, and vice versa, or the winner of the toss may insist upon a choice by his opponent. If one player choose the court, the other may elect not to serve.

4. The players shall stand on opposite sides of the net; the player who first delivers the ball shall be called the server, and the other the striker-out.

5. At the end of the first game the striker-out shall become server, and the server shall become striker-out; and so on alternately in all the subsequent games of the set and following sets.

FOOT FAULT RULE.

LAW 6. The server shall before commencing to serve stand with both feet at rest behind (i.e., further from the net than) the base-line and within the limits of the imaginary continuation of the half-court and side-lines, and thereafter the server shall not run, walk, hop or jump before the service has been delivered, but the server may raise one foot from (and, if desired, replace it on) the ground, provided that both feet are kept behind the base line until the service has been delivered.

Official Interpretation of law 6. If a foot be lifted and replaced, there must be no change of position that can possibly be considered a step.

LAW 7.—The service shall be delivered from the right and left courts alternately, beginning from the right in every game, even though odds be given or owed, and the ball served shall drop within the service-line, half court-line and side-line of the court which is diagonally opposite to that from which it was served or upon any such line.

LAW 8.—It is a fault if the server commit any breach of Law 7, or if the service be delivered from the wrong court, or if the ball served drop in the net or beyond the service line, or if it drop out of court or in the wrong court. If the server in attempting to serve, miss the ball altogether, it does not count a fault; but if the ball be touched, no matter how slightly, by the racket, a service is thereby delivered, and the laws governing the service at once apply.

8. It is a **Fault** if the ball served drop in the net, or beyond the service line, or out of court, or in the wrong court; or if the server do not stand as directed by law 6. If the server, in attempting to serve, miss the ball altogether, it does *not* count *a fault*, but if the ball be touched, no matter how slightly, by the racket, a service is thereby delivered, and the laws governing the service at once apply.

9. A fault cannot be taken.

10. After a fault the server shall serve again from the same court from which he served that fault, unless it was a fault because he served from the wrong court.

11. A fault cannot be claimed after the next service is delivered.

12. The server shall not serve till the striker-out is ready. If the latter attempt to return the service, he shall be deemed ready.

13. A service or fault delivered when the striker-out is not ready counts for nothing.

14. The service shall not be volleyed, that is, taken, before it has touched the ground.

15. A ball is in play on leaving the server's racket, except as provided for in law 8, and remains in play till the stroke is decided.

16. It is a good return, although the ball touch the net; but a service, otherwise good, which touches the net shall count for nothing.

17. The server wins a stroke if the striker-out volley the service, or if he fail to return the service or the ball in play; or if he return the service or the ball in play so that it drops outside of his opponent's court; or if he otherwise lose a stroke, as provided by law 20.

18. The striker-out wins a stroke if the server serve two consecutive faults; or if he fail to return the ball in play; or if he return the ball in play so that it drops outside of his opponent's court; or if he otherwise lose a stroke as provided by law 20.

19. A ball falling on a line is regarded as falling in the court bounded by that line.

20. Either player loses a stroke if the ball touch him, or anything that he wears or carries, except his racket in the act of striking; or if he touch the ball with his racket more than once; or if he touch the net or any of its supports while the ball is in play; or if he volley the ball before it has passed the net.

21. In case a player is obstructed by any accident, not within his control, the ball shall be considered a "let." But when a permanent fixture of the court is the cause of the accident, the point shall be counted. The benches and chairs placed around the court shall be considered permanent fixtures. If, however, a ball in play strike a permanent fixture of the court (other than the net or posts) before it touches the ground, the point is lost; if after it has touched the ground, the point shall be counted.

22. On either player winning his first stroke, the score is called 15 for that player; on either player winning his second stroke, the score is called 30 for that player; on either player winning his third stroke, the score is called 40 for that player; and the fourth stroke won by either player is scored game for that player, except as below. If both players have won three strokes, the score is called *deuce;* and the next stroke won by either player is scored *advantage* for that player. If the same player win the next stroke, he wins the game; if he lose the next stroke the score returns to deuce, and so on until one player wins the two strokes immediately following the score of deuce, when game is scored for that player.

23. The player who first wins six games wins the set; except as below: If both players win five games the score is called *games all;* and the next game won by either player is

scored *advantage game* for that player. If the same player win the next game, he wins the set; if he lose the next game, the score returns to games all; and so on, until either player wins the two games immediately following the score of games all, when he wins the set. But the committee having charge of any tournament may in their discretion modify this rule by the omission of advantage sets.

24. The players shall change sides at the end of the first, third and every subsequent alternate game of each set and at the end of each set, unless the number of games in such set be even. It shall, however, be open to the players by mutual consent and notification to the umpire before the opening of the second game of the match to change sides instead at the end of every set until the odd and concluding set, in which they shall change sides at the end of the first, third and every subsequent alternate game of such set.

* 25. In all contests the play shall be continuous from the first service till the match be concluded; provided, however, that at the end of the third set either player is entitled to a rest, which shall not exceed seven minutes; and provided, further, that in case of an unavoidable accident, not within the control of the contestants, a cessation of play which shall not exceed two minutes may be allowed between points; but this proviso shall be strictly construed, and the privilege never granted for the purpose of allowing a player to recover his strength or wind. The referee in his discretion may at any time postpone the match on account of darkness or condition of the ground or weather. In any case of postponement, the previous score shall hold good. Where the play has ceased for more than an hour, the player who at the cessation thereof

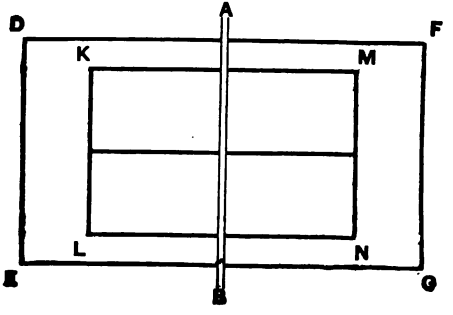
*All matches in which women take part in tournaments held under the auspices of the United States National Lawn Tennis Association shall be the best two in three sets, with a rest not exceeding seven minutes after the second set.

was in the court first chosen shall have the choice of courts on the recommencement of play. He shall stay in the court he chooses for the remainder of the set. The last two sentences of this rule do not apply when the players change every alternate game as provided by law 24.

26. If a player serve out of his turn, the umpire, as soon as the mistake is discovered, shall direct the player to serve who ought to have served. But all strokes scored before such discovery shall be counted. If a game shall have been completed before such discovery, then the service in the next alternate game shall be delivered by the player who did not serve out of his turn, and so on in regular rotation.

27. The above laws shall apply to the three-handed and four-handed games, except as below:—

THE THREE-HANDED AND FOUR-HANDED GAMES.



28. For the three-handed and four-handed games the court shall be 36 feet in width; 4½ feet inside the side lines, and parallel with them, are drawn the service side lines K M and L N. The service lines are not drawn beyond the point at which they meet the service side lines, as shown in the diagram.

29. In the three-handed game, the single player shall serve in every alternate game.

30. In the four-handed game, the pair who have the right to serve in the first game shall decide which partner shall do so; and the opposing pair shall decide in like manner for the second game. The partner of the player who served in the first game shall serve in the third, and the partner of the player who served in the second game shall serve in the fourth, and the same order shall be maintained in all the subsequent games of the set.

31. At the beginning of the next set, either partner of the pair which struck out in the last game of the last set may serve; and the same privilege is given to their opponents in second game of the new set.

32. The players shall take the service alternately throughout the game; a player cannot receive a service delivered to his partner; and the order of service and striking out once established shall not be altered, nor shall the striker-out change courts to receive the service, till the end of the set.

33. It is a fault if the ball served do not drop between the service line, half-court line, and service side line of the court, diagonally opposite to that from which it was served.

34. It is a fault if the ball served do not drop as provided in law 35, or if it touch the server's partner or anything he wears or carries.

This organization shall be known as the "United States National Lawn Tennis Association."

ARTICLE II.

MEMBERS.

SECTION 1. There shall be two classes of members:—

1. Clubs.
2. Associations of Clubs.

SECT. 2. An association of clubs shall consist of five or more individual clubs, any one of which may, or may not, be itself a member of the National Association. But no club shall otherwise be a member of more than one association.

SECT. 3. Every such association shall represent either a stated section of the country, or a stated number of schools and colleges, and in each case its stated limits shall necessarily exclude to that extent the stated limits of every other association.

SECT. 4. *Propositions for Membership.*— Propositions for membership must be made in writing to the Executive Committee, hereinafter provided for, with the name

and address of the applicant, and signed by the Secretary of the club or association making the proposal. Where the applicant is an association, the names and addresses of each of its members shall be given with the application, together with a statement of the limits that it desires to represent; and thereafter such association, if elected, shall notify the Secretary of the National Association of any changes in its membership immediately upon occurrence.

SECT. 5. The Executive Committee shall have full power to pass upon candidates for membership without a general election, except that no association shall be deemed a member whose limits shall conflict with those of other associations until its admittance be confirmed by a two-thirds' vote at the annual meeting of the National Association, or by the consent of the associations upon whose limits it encroaches. The admittance to membership of such an association necessarily decreases the limits of other associations to such an extent as shall preclude a conflict of limits.

SECT. 6. *Dues, etc.*— The annual dues to this Association, in the case of clubs, shall be seven dollars ($7), and, in the case of associations of clubs, shall be twenty-five dollars ($25), except that, where any association is composed of more than ten clubs, its annual dues shall, in addition, be ten dollars ($10) for every five clubs or fraction thereof members of it so additional. No club or association shall be allowed the privileges of a member until its first annual dues have been paid. All dues for the ensuing year shall be payable at the annual meeting.

SECT. 7. *Limits of Payments, etc.* — Any club or association which shall fail to have paid its annual dues at the expiration of one month after the annual meeting may be debarred from the privileges of a member by the Executive Committee, and, at their discretion, may be dropped from the roll.

SECT. 8. *Resignations, etc.* — Any member wishing to resign must do so in writing, addressed to the Secretary; and the resignation cannot be accepted until all dues are paid.

ARTICLE III.

EXPULSIONS, ETC.

The Executive Committee of this Association, hereinafter provided for, shall have the power to suspend or expel any member which may neglect or refuse a strict and honorable compliance with this Constitution, By-Laws, etc., or which shall, by scandalous conduct, bring reproach or disgrace upon the Association; or which shall, being itself an association, retain as one of its members any club objected to by notice in writing by the Executive Committee, subject to a right of the said member to appeal to the Association, at its next annual meeting, for reinstatement.

ARTICLE IV.

SECT. 4. *Duties of the President.* It shall be the duty of the President to preside at all meetings, to preserve order, to appoint all committees not otherwise provided for, and to see that the officers and committees perform their respective duties.

SEC. 5. *The Vice-President.*—The Vice-President shall assist the President in the performance of his duties, and shall exercise all the powers of the President in his absence.

SEC. 6. *The Secretary.*—The Secretary shall keep a roll of all the members, and from time to time amend and correct the same as circumstances require. He shall notify new members of their election within two

weeks thereafter, and shall give notice of all meetings at least two weeks in advance. He shall conduct all the correspondence of the Association, and keep copies of all letters in a book provided for that purpose. He shall keep the minutes of the proceedings of the Association, and a record of such matters of interest as may occur.

SECT. 7. *The Treasurer.*— The Treasurer shall keep, in a suitable book provided for that purpose, an account of all moneys received and paid. He shall liquidate all bills against the Association, and shall report in writing the state of the finances when required; and, at the annual meeting, he shall present a written report showing all the receipts and expenditures for the year.

II., Sect. 2, and being, also, either a different club, or, if a member of an association, then a club of a different association from any club represented by any other member of the Committee. A majority shall constitute a quorum.

ARTICLE V.

MEETINGS, ETC.

SECTION 1. There shall be a stated annual meeting held, on a date to be fixed by the President, between the 1st and 15th of February in each year, at a place to be designated at the previous annual meeting, or by the President in the absence of other designation.

SECT. 2. *Proxies, etc.*— Members may be represented at meetings by delegates or proxies.

LAWN-TENNIS TOURNAMENTS.

1.—At Tournaments held by Clubs belonging to the United States National Lawn Tennis Association or by Clubs belonging to Associations which belong to the National Association or by Associations belonging to said National Association, the Laws of Lawn-Tennis as adopted for the time being by said National Association and the Regulations hereinafter contained shall be observed.

2.—The Officers of the Club holding the Tournament shall have full power over all details concerning said Tournament, but shall be entitled to delegate their power to a Committee. In case no special Committee shall be appointed by the Officers of the Club holding the Tournament, the powers and functions hereinafter delegated to the Committee shall be vested in and performed by the Officers of said Club.

3.—A circular shall be issued by the Committee specifying the conditions of the competition, and including names of Tournament Committee and of the Referee.

4.—No cheques, orders for money or cash payments in any form shall be given as prizes, and the amount actually paid for each prize shall in no case be below the advertised value

of the same, if included in circular. If any challenge cup is offered it shall be deeded to the National Lawn Tennis Association. (See form of deed of gift on opposite page.) The winner of a Challenge Cup shall be entitled to the possession of the cup until one month previous to the next competition for the cup, possession being conditional on the giving of a bond by the winner satisfactory to the Club. Should the Club give possession without such bond, it shall be liable to the National Association for the value of the cup.

5.—The Committee shall elect a Referee, with power to appoint a substitute to be approved by them. The Referee or his duly appointed substitute must be present at all times when play is in progress.

6.—The Referee or such other member or members of the Committee as may be selected for the purpose, shall have power to appoint Umpires and Linesmen, to assign courts and to start matches, and the Referee shall decide any point of law which an Umpire may profess himself unable to decide, or which may be referred to him on appeal from the decision of an Umpire, and such decision shall be final.

8.—The Committee shall help to keep order on the ground, and shall consult and decide upon any question arising out of the competition, if summoned for that purpose by the Referee or by any two of their number; and they shall have power, when so convened, the misconduct of a Competitor having been reported to them by a member of the Committee or an Umpire, to disqualify the offender, and further to order him off the ground, should his misconduct appear to them to justify such action, but before such action shall be taken, an opportunity of offering an explanation shall be afforded

to the competitor, whose misconduct has been reported to them. When the whole of the Committee of a Club or even a quorum thereof may not be available, the members of the Committee that are available shall have power to act in cases left to the Committee of the Club.

9.—It is the duty of an Umpire—

(a) To ascertain that the net is at the right height before the commencement of play, and to measure and adjust the net during play, if asked to do so, or if, in his opinion, its height has altered.

(b) To call the faults (subject to Regulation 10) and lets unless he delegates such power.

(c) To call the strokes when won, or when he is asked to call them, and to record them upon the Umpire's scoring sheet.

(d) To call the games and the sets at the end of each,

---

* Example:

The strokes are scored by means of pencil marks in the spaces beneath the word "STROKES," thus:

Game.	Initials of Players.	STROKES.																				Game won by
1	A. B.	1	1		1		1															
	C. D.			1		1																
2	C. D.		1		1	1		1			1	1	1									
	A. B.	1		1			1		1	1												

The Scoring Sheet shows that in the first game the score ran, and would have been called, thus: — "15—love, 30—love, 30—15, 40—15, 40—30, game (A.B.)" In the second game: "Love—15, 15 all, 15—30, 30 all, 40—30, deuce, advantage (C.D.), deuce, advantage (A.B.), deuce, advantage (C.D.), game (C.D.)"

The score of the Server should be called first.

or when asked to call them, and to record them on the Umpire's scoring sheet.

NOTE—At the end of each game the games should be called with the name of the player who is in advance, thus: "2 games to 1, B wins" or, "B leads." If the games are level the score should be called thus, "three games all," or as the case may be. At the end of each set the sets should be called in like manner.

(c) To direct the Competitors to change sides, in accordance with Law 24.

In scoring handicap matches, the odds received should be marked by crosses on the right of the first perpendicular thick line before the commencement of each game, thus:

Game.	Initials of Players.	STROKES.	Game won by
1	A. B.	+	
	C. D.		
2	C. D.		
	A. B.	+ +	
3	A. B.	+	
	C. D.		
4	C. D.		
	A. B.	+ +	
5	A. B.	+	
	C. D.		
6	C. D.		
	A. B.	+ +	

Here A. B. is receiving 15 and 3-sixths of 15.

(f) When appealed to during a rally, whether a doubtful ball is "in play" or not, to call "play," and at the conclusion of the rally to give his decision (subject to Regulation 11) or direct the Competitors to play the stroke again.

(g) To decide all doubtful or disputed strokes, and all points of law (subject to Regulations 10 and 11), and to be responsible for the proper conduct of the match.

When odds are owed, they should be marked on the left of the first thick perpendicular line before the commencement of each game, thus:

Game.	Initials of Players.	Strokes.	Game won by
1	A. B.	1 1	
	C. D.		
2	C. D.		
	A. B.	1	
3	A. B.	1 1	
	C. D.		
4	C. D.		
	A. B.	1	
5	A. B.	1	
	C. D.		
6	C. D.		
	A. B.	1	

(h) In handicap matches to call the odds at the commencement of each set.

(i) To sign the Umpire's scoring sheets, and to deliver them at the conclusion of the match to such person as the Committee may authorize to receive them.

Provided, that no omission of any of the foregoing duties on the part of an Umpire shall of itself invalidate any stroke, game or match.

---

and should be crossed off one by one when the player owing wins a stroke, thus:

Game.	Initials of Players.	Strokes.	Game won by
1	A. B.	+ +	
	C. D.		
2	C. D.		
	A. B.	+	
3	A. B.	+ +	
	C. D.		
4	C. D.		
	A. B.	+	
5	A. B.	+	
	C. D.		
6	C. D.		
	A. B.	+	

Here A.B. owes 15 and 2-sixths of 15.

10.—It is the duty of the Linesman to call faults and to decide strokes relating to the line or lines to which he is assigned and to said line or lines only, and such decision shall be final. Should the Linesman be unable to give a decision, the Umpire shall decide or shall direct the stroke to be played again.

11. The decision of an Umpire shall be final upon every question of fact, and no competitor may appeal from it; but if an Umpire be in doubt as to a point of law, or if a competitor appeal against his decision on such a point, the Umpire shall submit it to the Referee whose decision shall be final.

NOTE—A question of fact relates to events that actually happened. A question of law is the construction and application of the laws of the game to the admitted facts.

12. The Referee shall not bet on a match nor shall an Umpire or Linesman on the match to which he is assigned. An infraction of this rule shall be followed by the immediate removal of the offending Referee, Umpire or Linesman on the complaint of any competitor.

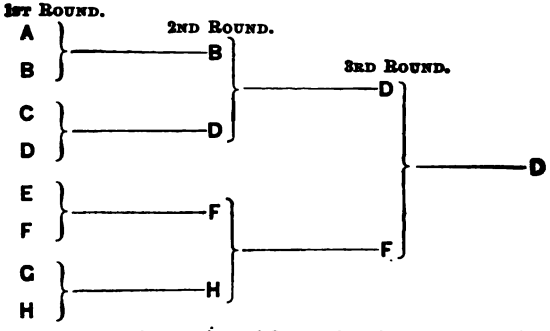
13. No Competitor may transfer his entry to another player.

14.—Competitors shall have a right, by themselves or their deputies, to be present at the draw.

15.—The draw shall be conducted in the following manner: Each Competitor's name shall be written on a separate card or paper, and these shall be placed in a bowl or hat, drawn out one by one at random, and copied on a list in the order in which they have been drawn

Infraction of this rule renders a Club or other organization liable to loss of its tournament for the following year; except that in invitation tournaments, and competitions between nations, states, cities, clubs and similar bodies where the competition is really between such bodies and not between the players as individuals, players may be placed in such manner as agreed upon by the management of the competition, and except that in Intercollegiate and Interscholastic matches the draw shall be arranged to prevent members of the same college or school from meeting each other in the first and second rounds, the draw in other ways being arranged absolutely by chance.

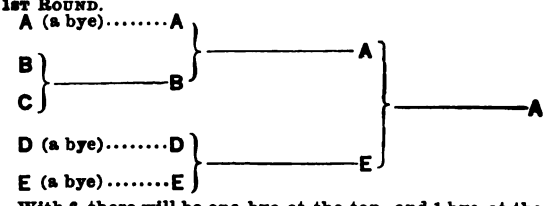
16.—When the number of Competitors is 4, 8, 16, 32, 64, or any higher power of 2, they shall meet in pairs, in accordance with the system shown by the following diagram:



17.—When the number of Competitors is not a power of 2, there shall be byes in the first round. The number of byes shall be equal to the difference between the number of Competitors and the next higher power of 2, and the number of pairs that shall meet in the first round shall be equal to the difference between the number of Competitors and the next lower power of 2. The byes, if even in number, shall be divided, as the names are drawn, in equal proportions at the top and bottom of the list, above and below the pairs. If uneven in number, there shall be one more bye at the bottom than at the top. Thus—

SERIES 1.

From 5 to 8 Competitors.



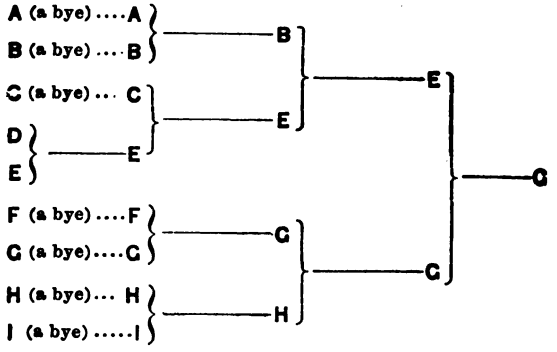
With 6, there will be one bye at the top, and 1 bye at the bottom. With 7, 1 bye at the bottom. With 8, no byes.

SERIES 2.

From 9 to 16 Competitors.

With 9, 3 byes at the top, and 4 byes at the bottom.

1ST ROUND.

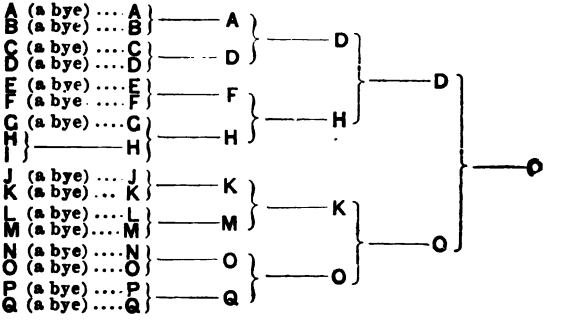


With 10, 3 byes at the top, and 3 at the bottom.
With 11, 2 byes at the top, and 3 at the bottom.
With 12, 2 byes at the top, and 2 at the bottom.
With 13, 1 bye at the top, and 2 at the bottom.
With 14, 1 bye at the top, and 1 at the bottom.
With 15, 1 bye at the bottom.
With 16, no byes.

SERIES 3.

From 17 to 32 Competitors.

With 17, 7 byes at the top, and 8 byes at the bottom.



With 18, 7 byes at the top, and 7 byes at the bottom.
With 19, 6 byes at the top, and 7 byes at the bottom.
With 20, 6 byes at the top, and 6 byes at the bottom.
With 21, 5 byes at the top, and 6 byes at the bottom.
With 22, 5 byes at the top, and 5 byes at the bottom.
With 23, 4 byes at the top, and 5 byes at the bottom.
With 24, 4 byes at the top, and 4 byes at the bottom.
With 25, 3 byes at the top, and 4 byes at the bottom.
With 26, 3 byes at the top, and 3 byes at the bottom.
With 27, 2 byes at the top, and 3 byes at the bottom.
With 28, 2 byes at the top, and 2 byes at the bottom.
With 29, 1 bye at the top, and 2 byes at the bottom.
With 30, 1 bye at the top, and 1 bye at the bottom.
With 31, 1 bye at the bottom.
With 32, no byes.
And so on with larger numbers in the same manner.

18.—If a Competitor be absent when called upon to play, or shall refuse to play, or shall have given previous notice to the Referee or to a member of the Committee that he cannot play in the next round, his adversary shall win in that round, unless said Competitor shall have been formally excused for a definite period by the Referee.

19.—In handicap matches the competitors shall be handicapped by the Committee, or by a Handicapper appointed by the Committee.

20.—The method of handicapping shall be by classes as below:—

GIVEN ODDS.

Class O—(Scratch).

Class	1	receives	1-sixth of 15.
"	2	"	2-sixths of 15.
"	3	"	3-sixths of 15.
"	4	"	4-sixths of 15.
"	5	"	5-sixths of 15.
"	6	"	15.
"	7	"	15 and 1-sixth of 15.
"	8	"	15 and 2-sixths of 15.
"	9	"	15 and 3-sixths of 15.
"	10	"	15 and 4-sixths of 15.
"	11	"	15 and 5-sixths of 15.
"	12	"	30.
"	13	"	30 and 1-sixth of 15.
"	14	"	30 and 2-sixths of 15.
"	15	"	30 and 3-sixths of 15.
"	16	"	30 and 4-sixths of 15.
"	17	"	30 and 5-sixths of 15.
"	18	"	40.

When two players in different classes below scratch meet, the superior player shall start from scratch, and the odds received by the inferior player are as shown by the annexed

table, No. 1. To use the table, find in the diagonal line of figures the number representing the class of the superior player, then travel along the horizontal column until the vertical column is reached which bears at the top the number of the class of the inferior player. The odds specified at the intersection of the two columns are the odds required.

Example.—If class 3 has to meet class 9, start from the figure 3 in the diagonal line of figures, and look horizontally until the vertical column is reached headed by the figure 9. The odds given at the point of intersection of the two columns (viz., 15 and 1-6 of 15) are the odds required.

When the difference between the best and the worst players entered is great (say more than 30), it is desirable to handicap the best players at owed odds. The players above scratch (i. e., owing odds) should be classified as follows: —

OWED ODDS.

Class	1	owes	1-sixth of 15.
"	2	"	2-sixths of 15.
"	3	"	3-sixths of 15.
"	4	"	4-sixths of 15.
"	5	"	5-sixths of 15.
"	6	"	15.
"	7	"	15 and 1-sixth of 15.

HANDICAPS. TABLE No. 1. *(Received Odds).*

When two players, both in receipt of odds, meet, the player receiving the smaller odds is put back to scratch. The following table shows the point at which the other should then start. The number at the left of the horizontal columns denotes the player who goes back to scratch, those at the head of the vertical columns the player who still receives odds; and the numbers within the columns show the odds to be received by the player whose number stands at the head of the column.

In using this table supply throughout the word "owe" before the odds specified.

When the two players in different classes above scratch meet, the inferior player shall start from scratch, and the odds owed by the superior player are as shown by the annexed table, No. 2

This table is to be used in the same way as the former, the class of the superior player being looked for in the horizontal line of figures at the top, and the class of the inferior player in the diagonal line of figures.

Example.—If class 12 (owe 30) meet class 7 (owe 15 and 1-6 of 15), the former must owe the latter the odds of 4-6 of 15.

21.—In Championship matches and handicaps by classes, as above, advantage sets shall be played throughout.

22.—The Committee may, whether appealed to by any Competitor or not, postpone the meeting or any match or part of a match if, in their opinion, the state of the weather, or of the light, or the condition of the ground, or other circumstances, render it advisable to do so. In cases of postponement, Law 25 must be strictly observed.

23.—In all Tournaments sanctioned by the Association the use of spikes longer than one-eighth of an inch is prohibited.

Cases and Decisions.

By James Dwight.

THE following Cases and Decisions are intended to meet questions often asked at Tournaments, and also to cover points apparently not provided for in the Laws.

1. A player standing outside the court volleys the ball or catches it in his hand, and claims the stroke because the ball was certainly going out of court.

Decision.—He loses the stroke. It makes no difference where he was standing. The return is presumed good until it strikes the ground outside of the court.

II. A player is struck by the ball served before it has touched the ground, he being outside of the service court. How does it count?

Decision.—The player struck loses the stroke. The service is presumably good until it strikes in the wrong court. A player cannot take the decision upon himself by stopping the ball. If it is going to be a fault, he has only to get out of the way.

III. The service is delivered before the striker-out is ready. He tries to return it and fails. Is he entitled to have it played over again?

Decision.—No. If he attempts to return the service he is deemed ready.

IV. The striker-out calls "Not ready," for a second service. The ball strikes beyond the service line, and the striker-out claims that the fact that he was not ready makes no difference, since a fault cannot be returned, and, therefore, that two faults have been served.

Decision.—The second service goes for nothing. A player cannot call "Not ready," and then have the service count, or not, as suits his interests.

V. A ball having been played over the net bounds back into the court from which it came. The player reaches over the net and plays it before it falls. Has he a right to do so?

Decision.—Yes, provided he does not touch the net. He has a right to play the ball at any time from the moment it crosses the net into his court until it touches the ground a second time.

VI. A ball is played into the net; the player on the other side, thinking that the ball is coming over, strikes at it and hits the net. Who loses the stroke?

Decision.—It is simply a question of fact for the umpire to decide. If the player touched the net while the ball was still in play he loses the stroke.

VII. Can a player follow a ball over the net with his racket, provided that he hits the ball on his own side of the net?

Decision.—Yes. The only restrictions are that he shall not volley the ball until it has crossed the net, andthat he shall not touch the net or any of its supports.

VIII. A player's racket slips out of his hand and flies into the net. Does he lose the stroke for hitting the net?

Decision.—Yes, if the ball be still in play. It does not matter if the racket be in a player's hand or not.

IX. A player's racket leaves his hand, but meets the ball and returns it over the net. Is it a good return?

ecision.—Yes. There is no law requiring a racket

be in a player's hand when the ball is returned. It would unquestionably be a good return if the racket were held against the ground by a player's feet, and the ball bounded back off of it.

X. A single match is played with a double net and inside posts. A player touches the net beyond the inside posts, and claims that he does not lose the stroke because there should be no net more than three feet outside of the court.

Decision.—He loses the stroke. The net where he touches it is part of the supports of the net. He might, perhaps, have objected to the arrangement of the net before the match.

XI. A player returns the ball, and, finding that he cannot stop himself before reaching the net, jumps over it. Is it a good return?

Decision.—Law 4 requires that "the players shall stand on opposite sides of the net," and therefore the player invading his opponent's court loses the stroke.

XII. A ball passes outside the post of the net and strikes in court. Is it a good return?

Decision.—Yes.

XIII. A ball going out of court hits the top of the post of the net and bounds into the opposite court.

Decision.—It is a good return.

XIV. The service or the ball in play strikes a ball lying in the court. Can it be returned?

Decision.—Yes, if it be clear to the umpire that the right ball is returned.

XV. The server claims that the striker-out must stand in the court. Is this necessary?

Decision.—No. The striker-out can stand wherever he pleases on his own side of the net.

XVI. A bystander gets in the way of a player, who fails to return the ball. May he then claim a let?

Decision.—Yes, if, in the umpire's opinion, he was prevented by an accident beyond his control. For instance, if the ropes or the seats are allowed to be so near to the court that a player is interfered with by them, the stroke should not be played again, because the ropes and seats form part of the arrangements of the ground. If, however, a spectator passes in front of those seats, or places a chair nearer than the original line, and so interferes with a player, the stroke should be played again.

XVII. A player is interfered with as above, and the umpire directs the stroke to be played again. The server had previously served a fault. He claims the right to two services.

Decision.—The fault stands. A let does not annul a previous fault.

XVIII. A return hits the umpire, or his chair or stand, the player claims that the ball was going into court.

Decision.—Stroke is lost.

XIX. A player receiving fifteen, serves from the left court. His opponent claims a fault.

Decision.—It is a fault. The service starts from the right court under all circumstances.

XX. At fifteen-all the server by mistake serves from the

left court, he wins the stroke and serves again (a fault), the mistake is then discovered. Is he entitled to the previous stroke? From which court should he serve next?

Decision.—The previous stroke stands. A fault cannot be claimed after the next service, good or not, is delivered. The next service should be from the left court, the score being thirty-fifteen, and the server has served one fault.

XXI. A player serves from the wrong court, he loses the stroke, and then claims that it was a fault.

Decision.—If the stroke was played in his first service it is simply a fault, but if he serves twice into the wrong court he has served two faults, and lost the stroke.

XXII. The score is five games all, and the umpire directs the players to play an advantage set. The advantage game has been won, when it is discovered that no advantage sets are to be played. What is to be done?

Decision.—The set is won at the eleventh game. It is no part of the umpire's duty to decide on the conditions of the matches.

XXIII. A player serves. He hears the umpire call, but cannot hear what he says. He knows that the only two things that the umpire should call are "fault" and "let," and that in neither case can the ball be in play. He, therefore, does not return it, only to find that the umpire has called "play." Has he any redress?

Decision.—No.

XXIV. The umpire calls "fault," and then instantly changes and says "play." The striker-out fails to return

the ball, and he claims he was prevented by the umpire, and also that the umpire cannot change his decision.

Decision.—The umpire should call a let and the service be taken again.

XXV. A ball drops near a line, the player appeals, and the umpire calls "play." The player misunderstands the call and lets the ball fall. He then claims to have the stroke played again.

Decision.—The stroke stands.

XXVI.—The ball strikes the ground close to a line, the scorer scores the stroke against the striker. On appeal to the linesman, the latter decided that the ball was not out. Which decision stands?

Decision.—The scorer has no right to consider a ball out until the linesman has called to that effect; therefore, the decision of the latter must be accepted. The decision of a linesman affecting his own line is final.

XXVII. A return strikes the cord running along the bottom of the net and bounds over. Is it a good return?

Decision.—Yes.

XXVIII. During play a ball is thrown into court, and the ball in play strikes it or a player steps on it. May a let be claimed?

Decision.—Yes.

XXIX. The server's first service strikes his partner. Does he lose the stroke or is it a fault?

Decision.—A fault.

XXX. A player serves a fault and it is then discovered that it is his partner's service. Does the fault stand?

Decision—Yes.

XXXI. In a four-handed competition one player does not appear in time to play, and his partner claims to be allowed to play single-handed against the opposing pair May he do so?

Decision.—No.

During the past year the Wright & Ditson Championship Ball was used in all the important tournaments throughout the United States and Canada, was up to the standard in every particular, and acknowledged by players to be the most perfect playing tennis ball in every respect.

WRIGHT & DITSON

The Wright & Ditson Rackets

As in former years, the WRIGHT & DITSON Rackets have shown their superiority. The Championship of the United States in both men's and women's singles were won with WRIGHT & DITSON Rackets, besides many other events, including the Eastern Singles and Doubles, Canadian, Western and Californian Championships. Such a record speaks for itself, and consequently the Ward and Wright, Pim, and Sutton Star stand pre-eminent.

We do all it is possible for anyone to do to make perfect Rackets. Gut, however, is sensitive to atmospheric changes, and owners of Rackets should take all the precautions they possibly can to prevent their being exposed to dampness, keeping the Racket in a waterproof cover and in a press. Yet, no matter how careful a player may be, the natural wear on a racket, particularly on dirt courts, often causes the strings to give way. The expense of repairing this break (as it occurs through no defect of the Racket), should be borne by the player.

GUARANTEE

We guarantee our Rackets for thirty days from time of purchase by the consumer, and will replace or repair, free of charge, any Racket weighing 13 ounces or over if any defect appears, provided said Racket is sent to any of our stores, transportation paid, carefully tagged with the name and address of owner, and nature of claim.

The Ward & Wright Racket

Style A
With Extra Center Strings

THIS racket has been made according to the special instructions given by Beals C. Wright and Holcombe Ward, former Champions of the United States in singles and doubles. The Ward & Wright Racket has been modeled on lines for the most modern style of play, and the phenomenal success of the racket during the past three seasons is most gratifying.

Scientifically, the Ward & Wright is the strongest racket made. It will stand restringing better than any other style racket. The frame is made of specially selected ash. The gut used in stringing is the best imported, noted for its life and driving qualities.

When Ordering Kindly State the Weight and Style—A or B—Desired

Price, with waterproof Racket Case,

Each $8.00

Style B
Regular Stringing

The Ward & Wright Racket is made in two styles of stringing. Style A, containing extra center strings, which has become very popular with a great many players, especially ground stroke players, and style B without the extra center strings, making it less rigid, and consequently better for volleying.

The Ward & Wright Racket is made in weights from 13 to 15 Ounces

For players who like an extra large handle Ward & Wright we have them in weights 14, 14 1-4, 14 1-2, and 15 ounces only.

We play tennis; are in constant touch with every player of note; **the best players permit us to make and name Rackets** after their models, and it ought to be plain *why* the Wright & Ditson Rackets are the most practicable. It pays to get the best.

WRIGHT & DITSON

The Sutton Star Racket

The National Championship has for the fourth consecutive year been won with the SUTTON STAR. Many other championships in both Singles and Doubles have also been won with the SUTTON STAR, which proves its superiority.

This Racket has a long narrow head with a 5¼ inch handle that does not taper until nearly reaching the throat, thus giving a player the same grip when volleying or when using a short grip, as in serving or smashing. This is a distinct advantage. It also gives a much more even balance. It is strung with the very best imported gut and made in weights 14, 14½ and 15 ounces.

Price, with waterproof case
Each, **$8.00**

The Campbell Racket

The Campbell Racket in its new shape is a great success, and we are certain that players will find it a splendid playing racket. Strung with English gut. Made in weights 12½ to 15 ounces.

CAMPBELL RACKET.

The PIM Racket

For players who like an extra large handle Pim we have them in weights 14, 14¼, 14½, 15 oz.

Price with waterproof case.
Each, **$8.00**

THE PIM RACKET is recognized as the leading racket of the country. Nearly all players of note, both men and women, have used the Pim, from which they obtained remarkable results. The frame is made of lively ash, noted for its driving qualities, and is bound with light but strong tape near the throat, which does not interfere with the natural spring in the wood, to give it extra strength, and is strung with the very best English gut of standard size, and strung carefully by workmen who have gained their experience by many years of service in our factory. The Pim is made only in weights ranging from 13 to 15 ounces.

The Sears Racket

The Sears Racket, made in the latest model, we find to be the strongest and best playing shape yet introduced. The Sears will be strung with fine English gut, and will contain the extra center strings. Made in weights 12½ to 15 ounces.
